The HyNet Carbon Dioxide Pipeline Order 2024

PART 3

Streets

Access to works

16.—(1) Subject to paragraph (2), the undertaker may, for the purposes of the authorised development, form and lay out means of access, or improve existing means of access, at such locations within the Order limits as the undertaker reasonably requires for the purposes of the authorised development.

(2) Subject to paragraph (3), the power set out in paragraph (1) may not be exercised without the undertaker having first obtained the consent of the street authority which may attach reasonable conditions to any consent, but such consent is not to be unreasonably withheld or delayed, following consultation by the street authority with the relevant planning authority. If the street authority which has received an application for consent under this paragraph fails to notify the undertaker of its decision before the end of the 42 day period beginning with the date on which the application was received by that street authority, it is deemed to have granted consent.

(3) The consent of the street authority is not required for the formulation, laying out or improvement of a new or existing means of access as described in Part 1 of Schedule 1 (authorised development) and Schedule 4 (new means of access).
