

## Schedules

### Schedule 1

Recyclable household waste and recyclable relevant waste in the recyclable waste streams

### Part 6

Recyclable household waste and recyclable relevant waste within the food waste stream

6. The food waste stream includes—
  - (a) all food intended for human or household pet consumption regardless of whether it has any nutritional value,
  - (b) biodegradable material resulting from the processing or preparation of food and drink including inedible food parts such as bones, eggshells, fruit and vegetable skins, tea bags and coffee grounds.
