2001 No. 4002

The Countryside Access (Local Access
Forums) (Wales) Regulations 2001

Establishment of a committee by a forum

13.—(1) The members of a forum may, with the agreement of the Chair, establish such committee or committees of members as they think fit.

(2) Subject to anything contained in these Regulations to the contrary, where a committee is established, the manner in which it is chaired, the appointment of its members, and its terms of reference are to be decided by the members of the forum which established it.
