2002 No. 1416

The TSE (Wales) Regulations 2002

Part IV

Specified Risk Material

Prohibitions on collection, transport, rendering, incineration etc. and storage of specified risk material

Use of premises for collection, rendering, incineration etc. of specified risk material

52. No person may use any premises for any purpose in connection with—
- (a) the collection of specified risk material;
 - (b) the rendering or incineration of specified risk material, or any other manner of disposal or destruction of specified risk material,

unless the premises are licensed for the purpose under this Part of these Regulations by the Licensing Authority.

Storage of specified risk material

53.—(1) Subject to paragraph (2) below, no person may store specified risk material in the same room on any premises as any food, feeding stuff or any cosmetic, pharmaceutical or medical product.

(2) The requirement in paragraph (1) above shall not apply where an inspector has approved the storage of specified risk material in the same room as any food, feeding stuff or any cosmetic, pharmaceutical or medical product, on being satisfied that the arrangements for storage will ensure the adequate separation of the specified risk material from the food, feeding stuff or product.

(3) No person may store specified risk material otherwise than in an impervious container which—

- (a) contains nothing but specified risk material;
- (b) is labelled as containing specified risk material;
- (c) is not left uncovered when containing specified risk material; and
- (d) after use for storage is thoroughly washed and disinfected before being used for any other purpose.

Transport of specified risk material

- 54.—(1) No person may transport specified risk material unless—
- (a) the specified risk material is in a container marked with the words “specified risk material”, the place of destination and the name of the person to whom it is being sent; and
 - (b) they provide a written statement to the person to whom it is sent of the premises from which the specified risk material was collected for delivery.

- (2) No person may transport specified risk material unless—
 - (a) it is transported in a container which—
 - (i) is not being used at the same time to transport any material other than specified risk material;
 - (ii) is impervious; and
 - (b) it is kept covered at all times while in the container except when necessary for loading or unloading into the container or examination by an inspector.
- (3) Any person transporting specified risk material must ensure that the container in which the specified risk material is transported is thoroughly washed and disinfected before being used for any other purpose.

Procedure for bringing in specified risk material from England, Scotland or Northern Ireland

- 55.**—(1) No person shall bring specified risk material into Wales from England, Scotland or Northern Ireland unless—
- (a) it is stained in accordance with legislation having effect in England, Scotland or Northern Ireland and corresponding to the provisions of this Part of these Regulations relating to staining;
 - (b) it is exempt from the requirement to stain under that legislation by virtue of provisions corresponding to regulation 39(3) above; or
 - (c) it is transported in a sealed vehicle in accordance with the provisions of legislation having effect in, as the case may be, England, Scotland or Northern Ireland corresponding to the provisions of regulation 46 above.
- (2) Any person bringing specific risk material into Wales from England, Scotland or Northern Ireland shall immediately transport it to one of the destinations specified in regulation 40 above.
