The Quality Partnership Schemes (Existing Facilities) (Wales) Regulations 2002

Objections

5. Section 115 of the Act is to apply, in relation to proposed schemes which specify existing facilities, as if after subsection (4) there were inserted—

“(5) Where the proposed scheme specifies one or more existing facilities, the authority shall, in the notice given under subsection (1)—

- (a) state when they believe that each such facility was first provided and where two or more authorities propose to make the scheme the authority in whose area an existing facility is situated shall be responsible for making that statement, and
- (b) specify the date by which an objection to the specifying of an existing facility must be made, such date to be not less than 42 days from the date on which the notice is published.”
