**15.** Any person having an interest in the holding to which the arbitration relates shall be entitled to make representations to the arbitrator.

**16.** Witnesses appearing at the arbitration shall, if the arbitrator thinks fit, be examined on oath or affirmation, and the arbitrator shall have power to administer oaths to, or to take the affirmation of, the parties and witnesses appearing.

**17.** The provisions of county court rules as to the issuing of witness summonses shall, subject to such modifications as may be prescribed by such rules, apply for the purposes of the arbitration as if it were an action or matter in the county court.

**18.—(1)** Subject to sub-paragraphs (2) and (3), any person who—

- (a) having been summoned in pursuance of county court rules as a witness in the arbitration refuses or neglects, without sufficient cause, to appear or to produce any documents required by the summons to be produced; or

(2) A judge shall not have power under sub-paragraph (1) above to direct that a person shall forfeit a fine of an amount exceeding £400.

(3) No person summoned in pursuance of county court rules as a witness in the arbitration shall forfeit a fine under this paragraph unless there has been paid or tendered to him or her at the time of the service of the summons such reasonable sum in respect of his or her expenses as the arbitrator may direct (including, in appropriate cases compensation for loss of time), having regard to such sums payable in such cases as may be prescribed for the purposes of section 55 of the County Courts Act 1984(2).

*Status: This is the original version (as it was originally made).*

(3) Subject to sub-paragraph (4), the prisoner mentioned in any such order shall be brought before the arbitrator under the same custody, and shall be dealt with in the same manner in all respects, as a prisoner required by a writ of habeas corpus to be brought before the High Court and examined there as a witness.

(4) The person having the custody of the prisoner shall not be bound to obey the order unless there is tendered to him or her a reasonable sum for the conveyance and maintenance of a proper officer or officers and of the prisoner in going to, remaining at, and returning from, the place where the arbitration is held.

**20.** The High Court may order that a writ of habeas corpus ad testificandum shall issue to bring a prisoner for examination before the arbitrator, if the prisoner is confined in any prison under process in any civil action or matter.

### **Costs**

The costs for the purposes of this paragraph shall include any fee paid to the President in respect of the appointment of an arbitrator and any sum paid to the National Assembly pursuant to paragraph 5.

**26.** On the application of any party, any such costs shall be taxable in the county court according to such of the scales prescribed by county court rules for proceedings in the county court as may be directed by the arbitrator under paragraph 25 or, in the absence of any such direction, by the county court.

(2) The arbitrator may disallow any costs which he or she considers to have been unnecessarily incurred, including the costs of any witness whom he or she considers to have been called unnecessarily.

### **Special case, setting aside award and remission**

**28.** The arbitrator may at any stage of the proceedings and shall, upon a direction in that behalf given by the judge of the county court upon an application made by any party, state in the form of a special case for the opinion of the county court any question of law arising in the course of the arbitration and any question as to the jurisdiction of the arbitrator.

**29.—(1)** Where the arbitrator has misconducted himself or herself, the county court may remove him or her.

(2) Where the arbitrator has misconducted himself or herself, or an arbitration or award has been improperly procured, or there is an error of law on the face of the award, the county court may set the award aside.

**30.—(1)** The county court may from time to time remit the award, or any part of the award, to the arbitrator for reconsideration.

(2) In any case where it appears to the county court that there is an error of law on the face of the award, the court may, instead of exercising its power of remission under sub-paragraph (1), vary the award by substituting for so much of it as is affected by the error such award as the court considers that it would have been proper for the arbitrator to make in the circumstances; and the award shall thereupon have effect as so varied.

(3) Where remission is ordered under sub-paragraph (1), the arbitrator shall, unless the order otherwise directs, make and sign his or her award within 30 days of the date of the order.

(4) If the county court is satisfied that the time limited for making the said award is for any good reason insufficient, the court may extend or further extend that time for such period as it thinks proper.

### **Miscellaneous**

**31.** Any amount paid, in respect of the remuneration of the arbitrator by any party to the arbitration in excess of the amount, if any, directed by the award to be paid by him or her in respect of the costs of the award, shall be recoverable from the other party or jointly from the other parties.

**32.** For the purposes of this Schedule, an arbitrator appointed by the President shall be taken to have been so appointed at the time when the President executed the instrument of appointment, in accordance with the law in force at the time of such execution and in the case of any such arbitrator the periods mentioned in paragraphs 13 and 21 shall accordingly run from that time.

**33.** Any instrument of appointment or other document purporting to be made in the exercise of any function exercisable by the President under paragraph 1, 2, 6, 11 or 21 and to be signed by or on behalf of the President shall be taken to be such an instrument or document unless the contrary is shown.

**34.** The Arbitration Act 1996(3) shall not apply to an arbitration determined in accordance with this Schedule.

## SCHEDULE 2

Regulation 19

### REALLOCATION OF QUOTA AND CALCULATION OF LEVY LIABILITY

#### Wholesale quota

1. The National Assembly shall determine the amount, if any, by which the wholesale deliveries of dairy produce to each purchaser exceeds his or her purchaser quota.

2. In making that determination the National Assembly shall complete in sequence the steps required by paragraphs 3 to 7, 9 and 10.

3. The National Assembly shall where necessary authorise an adjustment of the amount, if any, by which the quantity of wholesale deliveries of dairy produce to each purchaser must be adjusted to take account of its fat content, calculated in accordance with Article 4(1) of the Commission Regulation.

4. The National Assembly shall authorise the adjustment by purchasers (to the extent possible from within the quota available to the purchaser to whom the producer makes deliveries) of the quota of any producer making wholesale deliveries to whom a temporary reallocation of quota has been made, to take account of that reallocation and any purchaser who has insufficient quota unused by producers registered with him or her to meet that temporary reallocation shall notify the National Assembly of the amount of the shortfall in such form as the National Assembly may reasonably require.

5. The National Assembly shall determine for each purchaser the amount, if any, by which the purchaser quota of that purchaser exceeds or falls short of the quantity of wholesale deliveries of dairy produce made to him or her taking into account the amount of quota converted in accordance with regulation 17, and any temporary reallocation made in accordance with regulation 15.

6. The National Assembly shall determine the total amount, if any, of excess quota remaining for any purchaser whose purchaser quota exceeds the quantity of wholesale deliveries of dairy produce made to him or her, as determined in accordance with paragraph 5, and shall add that amount to the national reserve.

7. The National Assembly shall reallocate the amount, if any, referred to in paragraph 6—

- (a) in the first instance, to meet any award of a temporary reallocation of quota which has not been met by the adjustment referred to in paragraph 4 above;
- (b) thereafter, to offset the amount by which the deliveries made to any purchaser exceed his or her purchaser quota, such allocation being made proportionately to the amount of quota; and
- (c) where the allocations referred to in sub-paragraph (b) exceed the amount required by the purchaser, the surplus shall be allocated to all purchasers where the deliveries exceed purchaser quota, until all unallocated quota has been exhausted.

8. Where a purchaser fails to notify the National Assembly on or before 14th May immediately following the end of the quota year of the actual quantity of milk or milk products delivered to him or her in that year, the National Assembly may decide that that purchaser shall not benefit from the reallocation of quota referred to in paragraph 7(b).

9. The National Assembly shall determine the total amount of the levy payable by a purchaser by multiplying the amount, if any, by which deliveries to him or her exceed his or her purchaser quota following the steps specified in paragraphs 3 to 7 by the rate of levy calculated in accordance with Article 1 of the Council Regulation.

**10.** Where, for any quota year, a purchaser is unable to supply such proof of the quantities of dairy produce delivered to him or her that year as the National Assembly may reasonably require, the National Assembly shall make its own determination of those quantities, based on all the information available to it, for the purposes of calculating any levy payable by that purchaser, and shall inform the purchaser of such determination.

**11.** Where—

- (a) a purchaser has not been approved pursuant to regulation 25; or
- (b) a purchaser has had his approval withdrawn by the National Assembly pursuant to Article 13(3) of the Commission Regulation,

the National Assembly may require any levy payable by that purchaser to be paid in such proportion as it may reasonably require by any producer whose wholesale deliveries to that purchaser have given rise to the liability for levy.

### **Direct sales quota**

**12.** The National Assembly shall determine for each direct seller the amount, if any, after taking into account the amount of quota converted in accordance with regulation 17, by which his or her direct sales quota exceeds the quantity of dairy produce sold by direct sale by him or her, and shall add this to any quantities available in the national reserve.

**13.** The National Assembly shall make an award of a temporary reallocation of direct sales quota, under the terms of regulation 15 from the aggregate of amounts, if any, referred to in paragraph 12.

**14.** The National Assembly shall determine the aggregate amount, if any, by which the direct sales quota of all direct sellers falls short of the total quantity of dairy produce sold by direct sales by them, after taking into account the amount of quota converted in accordance with regulation 17, and any temporary reallocation made in accordance with paragraph 13.

**15.** The National Assembly shall determine for each direct seller the amount, if any, by which his or her direct sales quota falls short of the quantity of dairy produce sold by direct sale by him or her, taking into account the amount of quota converted in accordance with regulation 17, and any temporary reallocation of quota made in accordance with paragraph 13.

**16.** The National Assembly shall determine the aggregate of the amounts, if any, referred to in paragraph 15.

**17.** The National Assembly shall determine the total amount of the levy payable by multiplying the amount, if any, referred to in paragraph 14 by the rate of levy calculated in accordance with Article 1 of the Council Regulation.

**18.** The National Assembly shall calculate the rate of levy per litre, if any, to be paid by each direct seller on the amount, if any, at paragraph 15 by dividing the amount calculated in accordance with paragraph 17 by the aggregate referred to in paragraph 16.

**19.** Where a direct seller fails to notify the National Assembly on or before 14th May immediately following the end of the quota year of the total quantity of milk products sold by him or her by direct sales in that year, the National Assembly may require that the rate of levy per litre to be paid by that direct seller on the quantity not notified shall be the rate calculated in accordance with Article 1 of the Council Regulation.

**20.** Where for any quota year a direct seller is unable to supply such proof as the National Assembly may reasonably require of the quantities of dairy produce sold by him or her in that year, the National Assembly shall make its own determination of those quantities, based on all the information available to it, for the purposes of calculating any levy payable by that direct seller, and shall inform the direct seller of its determination.
