**The Products of Animal Origin (Third
Country Imports) (Wales) Regulations 2004**

PART 6

Products Intended for Import

Evidence of certification of, and payment for, veterinary checks

35. Where a certificate of veterinary clearance has been issued certifying that a consignment is fit for import, the person responsible for the consignment must supply the Commissioners with evidence satisfactory to them that—

- (a) the certificate has been issued; and
- (b) all charges payable in accordance with Part 10 for veterinary checks carried out on the consignment, including sampling, and for any test or analysis carried out on any samples taken, have been paid, or payment thereof has been assured by a deposit or guarantee satisfactory to the person to whom, pursuant to regulation 52(2), the charges are payable.
