The Cereal Seed (Wales) Regulations 2005 (revoked)

PART III

CONTROL OF CEREAL SEED

Marketing of seed

15.—(1) Subject to paragraph (2) and regulations 19 to 22, no person shall market any seed to which these Regulations apply except for seed listed in Schedule 6.

(2) Paragraph (1) shall not apply to the marketing of seed, as grown, for processing, provided that the identity of the seed is ensured.

(3) Any person marketing seed that has been imported from a third country and exceeds two kilograms shall supply the National Assembly, in writing and within one month of the first marketing of the seed, with the following particulars relating to the seed—

- (a) the species;
- (b) the variety;
- (c) the category;
- (d) the country of production and the official inspection authority;
- (e) the country of despatch;
- (f) the importer; and
- (g) the quantity of seed.

Marketing of HVS seed

16.—(1) This regulation applies to the marketing of any officially certified basic, C1 or C2 seed of barley, durum wheat, oats, spelt wheat or wheat where any label or notice affixed to, contained in or marked on any package containing the seed, any document accompanying the seed or any particulars displayed in respect of the seed, states or indicates that the seed attains the Higher Voluntary Standards for such seed.

(2) Where any person markets seed to which this regulation applies, the person marketing the seed shall be deemed to state for the purposes of these Regulations, and in relation to the particulars given to a purchaser, that—

- (a) the crop from which the seed has been harvested met the Higher Voluntary Standards for such seed laid down in Schedule 3 and Part I of Schedule 4;
- (b) the seed meets the Higher Voluntary Standards for such seed laid down in Part II of Schedule 4; and
- (c) a successful application has been made to the National Assembly under paragraph (3) verifying that the crop and seed has attained those standards.

Status: Point in time view as at 30/06/2009.

Changes to legislation: There are currently no known outstanding effects for the The Cereal Seed (Wales) Regulations 2005 (revoked), PART III . (See end of Document for details)

(3) An application for verification that basic, C1 or C2 seed of barley, durum wheat, oats, spelt wheat or wheat has attained the Higher Voluntary Standards for such seed may be made to the National Assembly in such form and manner and containing such information and accompanied by such documents as the National Assembly may require and the National Assembly shall grant the application if the National Assembly is satisfied that—

- (a) the crop from which the seed has been harvested met the Higher Voluntary Standards for such seed laid down in Schedule 3 and Part I of Schedule 4; and
- (b) the seed meets the Higher Voluntary Standards for such seed laid down in Part II of Schedule 4.

Marketing of officially certified lower germination seed

17. No person shall market officially certified pre-basic or basic seed that has been found by the competent seed certification authority that certified the seed not to satisfy the germination condition for such seed, or (regardless of the findings of the competent seed certification authority) the person marketing the seed knows does not satisfy that condition, unless—

- (a) the official label contains a statement that the minimum percentage of germination of the seed is less than the EC minimum percentage of germination for the relevant category of seed;
- (b) the person marketing the seed guarantees a specific minimum percentage of germination for the seed; and
- (c) another label is attached to the outside of the package containing the seed specifying the specific minimum percentage of germination guaranteed by the person marketing the seed, the name and address and the reference number of the seed lot.

Marketing of officially certified early movement seed

18.—(1) A person may market officially certified early movement pre-basic seed, officially certified early movement basic seed or officially certified early movement commercial seed before the completion of the official germination test, if the person marketing the seed—

- (a) obtains a provisional analytical report indicating what the percentage of germination of the seed is likely to be;
- (b) provides the first buyer, upon or before delivery of the seed, with a written statement that the seed is marketed before the completion of the official germination test together with the result in the provisional analytical report ;
- (c) notifies the National Assembly in writing of the name and address of the first buyer by way of trade as soon as practicable after delivery and in any event not later than seven days after delivery;
- (d) guarantees a specific minimum percentage of germination, which shall be the percentage of germination of the seed as ascertained in the provisional analytical report;
- (e) ensures that a label accompanies the package containing the seed and that the label contains—
 - (i) a statement that the seed is being sold before completion of the official germination test;
 - (ii) a statement of the specific minimum percentage of germination in accordance with paragraph (d) together with the name and address of the person marketing the seed and the reference number of the seed lot.

(2) In the event of the official germination test showing the failure of the seed to comply with the minimum germination standard specified in paragraph 13 of Part II of Schedule 4 for seed of

the relevant category, the person marketing the seed shall provide the first buyer with the result of the completed official germination test, in writing, as soon as practicable and in any event not later than 7 days after being informed of the test.

(3) Paragraphs (1) and (2) shall not apply to seed which has been imported from a country which is not an EEA State.

(4) For purposes of this regulation—

(a) “officially certified early movement pre-basic seed” means any of the following—

- (i) UK officially certified early movement pre-basic seed of a listed variety;
- (ii) EC officially certified early movement pre-basic seed of a listed variety;
- (iii) UK officially certified early movement pre-basic seed of a component used in the production of a listed hybrid variety;
- (iv) EC officially certified early movement pre-basic seed of a component used in the production of a listed hybrid variety.

(b) “officially certified basic seed” means any of the following—

- (i) UK officially certified early movement basic seed of a listed variety;
- (ii) EC officially certified early movement basic seed of a listed variety;
- (iii) UK officially certified early movement basic seed of a component used in the production of a listed hybrid variety;
- (iv) EC officially certified early movement basic seed of a component used in the production of a listed hybrid variety.

(c) “officially certified early movement commercial seed” means any of the following—

- (i) UK officially certified early movement commercial seed;
- (ii) EC officially certified early movement commercial seed.

Exception for scientific purposes and selection work

19.—(1) The prohibition in regulation 15(1) shall not apply to the marketing by a producer of small quantities of seed for scientific purposes or selection work for which—

- (a) an authorisation has been granted to the producer by the National Assembly in accordance with this regulation, or
- (b) an authorisation has been granted to the producer by or on behalf of—
 - (i) the Secretary of State;
 - (ii) the Scottish Ministers;
 - (iii) the Department of Agriculture and Rural Development; or
 - (iv) a competent seed certification authority in another member State, pursuant to Article 4a(1)(a) of the Cereal Seed Directive.

(2) A producer in Wales may apply to the National Assembly for a regulation 19 authorisation.

(3) An application under this regulation shall be made in such form and manner and at such time as the National Assembly may require and shall be accompanied by such information as the National Assembly may require for the purpose of determining whether to grant an authorisation.

(4) The National Assembly shall not grant a regulation 19 authorisation in respect of seed of a genetically modified variety unless an authorisation is in force in respect of the variety concerned under either—

- (a) Part C of the Deliberate Release Directive; or

Status: Point in time view as at 30/06/2009.

Changes to legislation: There are currently no known outstanding effects for the The Cereal Seed (Wales) Regulations 2005 (revoked), PART III . (See end of Document for details)

- (b) the Food and Feed Regulation;
- (5) A regulation 19 authorisation may—
 - (a) specify the amount of seed that may be marketed under it, and
 - (b) impose such conditions as the National Assembly may think necessary or desirable having regard to the nature of the scientific purpose or selection work involved and the nature of the seed to which the authorisation relates, including a condition relating to the keeping of records in respect of the marketing of the seed.

Exception for test and trials

[^{F1}20.—(1) The prohibition in regulation 15(1) does not apply to the marketing by a producer of seed for test and trial purposes in accordance with—

- (a) an authorisation which has been granted to the producer by the National Assembly in accordance with this regulation; or
- (b) an authorisation which has been granted to the producer by or on behalf of—
 - (i) the Secretary of State;
 - (ii) the Scottish Ministers;
 - (iii) the Department of Agriculture and Rural Development; or
 - (iv) a competent seed certification authority in another member State,
 in accordance with Article 2(1) of the 2004 Commission Decision.
- (2) A producer cannot market test and trial seed—
 - (a) except for the purposes of tests or trials carried out at agricultural enterprises to gather information on the cultivation or use of a variety of a cereal species specified in Schedule 2;
 - (b) unless a field inspection report has been issued by the National Assembly or by a licensed crop inspector stating that—
 - (i) for the following varieties, [^{F2}the crop satisfies] the conditions for CS seed laid down in Schedule 3—
 - (aa) rye and maize (including hybrids of rye and maize); and
 - (bb) hybrids of barley, durum wheat, oats, spelt wheat, triticale other than self-pollinating varieties and wheat; and
 - (ii) for non-hybrid varieties of barley, durum wheat, oats, self-pollinating triticale, spelt wheat and wheat, [^{F2}the crop satisfies] the conditions for C2 seed laid down in Schedule 3;
 - (c) unless a seed test report has been issued by the National Assembly or by a licensed seed testing station stating that—
 - (i) for the following varieties, the seed to which the application relates has been found to meet the conditions for CS seed laid down in Schedule 4—
 - (aa) rye and maize (including hybrids of rye and maize); and
 - (bb) hybrids of barley, durum wheat, oats, spelt wheat, triticale other than self-pollinating varieties and wheat; and
 - (ii) for non-hybrid varieties of barley, durum wheat, oats, self-pollinating triticale, spelt wheat and wheat, the seed satisfies the conditions for C2 seed laid down in Schedule 4; or

- (d) if such marketing would contravene a prohibition on the use of the variety published by the National Assembly in the gazette that complies with Article 14 of the 2004 Commission Decision.
- (3) A producer of seed established in Wales may apply to the National Assembly for the grant or renewal of a regulation 20 authorisation.
- (4) A regulation 20 authorisation granted by the National Assembly will last for a period of one year or such shorter period as the National Assembly may specify.
- (5) An application for authorisation or renewal of a regulation 20 authorisation must be made in writing to the National Assembly and be accompanied by such information as the National Assembly may require.
- (6) The National Assembly will not grant a regulation 20 authorisation unless it is satisfied that—
- (a) the seed is of a variety for which an application has been made by the producer under regulation 4(1)(a) of the Seeds (National Lists of Varieties) Regulations 2001 for acceptance on to a National List and which application has not been withdrawn or finally determined; and
 - (b) in the case of seed of a genetically modified variety, an authorisation is in force in respect of the variety under either—
 - (i) Part C of the Deliberate Release Directive; or
 - (ii) the Food and Feed Regulation.
- (7) The National Assembly will not authorise marketing of an amount of seed in excess of that permitted by Article 7 of the 2004 Commission Decision.
- (8) A regulation 20 authorisation may impose such conditions as the National Assembly may think necessary or desirable having regard to the nature of the test or trial and the nature of the seed to which the authorisation relates.
- (9) The Assembly may vary, suspend, revoke or add conditions to authorisations to which paragraph (1) applies by service of a notice on the producer.
- (10) Where an authorisation to which paragraph (1) applies has been granted, the marketing by a producer of seed for test and trial purposes shall be in accordance with the conditions attached to that authorisation, whether granted by the Assembly or, subject to paragraph (9), any other competent seed certification authority in the United Kingdom or in another member State.
- (11) The Assembly may revoke or suspend an authorisation that has effect in Wales by virtue of this regulation by service of a notice in writing on the producer concerned, and where such a notice has been served, marketing of seed for test and trial purposes may only be authorised subsequently by the National Assembly for Wales in accordance with this regulation.
- (12) A regulation 20 authorisation shall cease to have effect where the application referred to in paragraph (6)(a) is withdrawn or rejected or the variety is entered in a National List or the Common Catalogue.
- (13) The National Assembly may require a person to whom it has granted a regulation 20 authorisation to provide it with information about—
- (a) the results of the tests and trials to which the authorisation relates; or
 - (b) the quantities of seed marketed during the authorised period and the name of the member State for which the seed was destined.
- (14) A producer to whom a regulation 20 authorisation has been granted must, within such period as is specified by the National Assembly, lodge copies of the reports referred to in paragraphs (2) (b) and (c) with it]

Status: Point in time view as at 30/06/2009.

[^{F3}Exception for conservation varieties

20A.—(1) The prohibition in regulation 15(1) does not apply to the marketing of seed of a conservation variety, provided that the requirements of this regulation are met.

(2) The seed must be descended from seed produced according to well defined practices for maintenance of the variety.

(3) The seed must have been harvested from a crop that—

- (a) has been produced in the region of origin for the variety, and
- (b) satisfies the conditions laid down in Schedule 3 and Part I of Schedule 4 for a crop from which CS, C1 or C2 seed (whichever is the final generation) for the species in question is to be produced, except for the conditions in respect of minimum varietal purity and those concerning official examination or examination under official supervision.

(4) The seed must satisfy the conditions laid down in Parts II and IV of Schedule 4 for CS, C1 or C2 seed (whichever is the final generation) for the species in question, except for the conditions in respect of minimum varietal purity and those concerning official examination or examination under official supervision.

(5) The seed may only be marketed in its region of origin.

(6) A person proposing to produce seed of a conservation variety must supply the Welsh Ministers, in such manner and form as the Welsh Ministers require, with details in writing of the size and location of the area to be used to produce that seed.

(7) For the purposes of Articles 14 and 15(2) of Commission Directive 2008/62, the Welsh Ministers may specify the maximum amount of conservation variety seed which may be marketed in any given production season; and different maxima for different persons or classes of persons may be specified.

(8) The amount of seed marketed by a person must not exceed any maximum amount specified under paragraph (7) in relation to that person.

(9) Any person marketing seed of a conservation variety must supply the Welsh Ministers, on request, with details in writing of the amount and variety of the seed placed on the market during each production season.

(10) In this regulation—

- (a) “official examination or examination under official supervision” means an official UK field inspection, a UK field inspection carried out under official supervision, or a seed test carried out by an official testing station or under official supervision by a licensed seed testing laboratory;
- (b) “region of origin” has the meaning given to it by regulation 2(1) of the Seeds (National Lists of Varieties) Regulations 2001, but also includes any other area approved by the Welsh Ministers for the purposes of the second paragraph of Article 11(1) of Commission Directive 2008/62.]

General exemptions

21.—(1) The prohibition in regulation 15(1) shall not apply to the marketing of seed that is authorised by a general licence made by the National Assembly under this regulation but in all other respects the provisions of these Regulations shall continue to apply in relation to the marketing of the seed.

(2) Subject to paragraph (3), the National Assembly may, by a general licence, exempt any person or class of persons, or persons generally, from compliance with any provision of these Regulations.

(3) The National Assembly shall not exercise the power to issue a general licence under paragraph (2) except—

- (a) to the extent that the provisions of the general licence are permitted in accordance with a temporary experiment organised under Article 13a of the Cereal Seed Directive;
 - (b) to give effect to the provisions of a Council Decision made under Article 16 of the Cereal Seed Directive and amendments made to such a Decision; or
 - (c) to the extent that the provisions of the general licence are permitted in accordance with measures taken pursuant to Article 17 of the Cereal Seed Directive.
- (4) A general licence issued under paragraph (2)—
- (a) shall have effect during the period specified in it unless the National Assembly revokes it earlier, and
 - (b) may impose such conditions as the National Assembly may think necessary or desirable having regard to the marketing permitted by the general licence and the nature of the seed to which it relates, including a condition relating to the keeping of records in respect of the marketing of the seed.

Mixtures

22.—(1) The prohibition in regulation 15(1) shall not apply to the marketing of a mixture of seeds to which paragraph (2) applies.

(2) This paragraph applies to—

- (a) a specific mixture of various varieties of one species of seed—
 - (i) that, as a mixture, is effective against the propagation of a harmful organism, and
 - (ii) each component of which complied, before mixing, with the relevant provisions of these Regulations;
- (b) a mixture of different species of seeds, each component of which complied, before mixing, with the relevant provisions of these Regulations; and
- (c) a mixture of seeds permitted by the Fodder Plant Seed (Wales) Regulations 2005^{M1} that includes seed of a species to which these Regulations apply and that complied, before mixing with the fodder plant seed, with the relevant provisions of these Regulations.

Sampling

23.—(1) A sample of seeds taken in connection with an application made under [^{F4}regulation 6, 11, 13 or 20] shall be drawn—

- (a) by—
 - (i) an authorised officer, or
 - (ii) a licensed seed sampler acting under the supervision of the authority who appointed him or her;
- (b) in accordance with the method laid down in Schedule 5 of the Seed (Registration, Licensing and Enforcement)(Wales) Regulations 2005 ^{M2}; and
- (c) from a homogeneous seed lot.

[^{F5}(1A) A sample of seed taken from a conservation variety for the purpose of checking compliance with these Regulations must be taken from a homogeneous seed lot.]

(2) Subject to paragraph (3), the maximum weight of a seed lot shall be that set out in column (3) of the table in Schedule 7.

(3) A seed lot may exceed the maximum weight for a seed lot set out in column (3) of the table in Schedule 7 by not more than 5%.

(4) The minimum weight of a sample shall be that set out in column (4) of the table in Schedule 7.

(5) The minimum weight of a sample for a moisture test shall be that specified in column (5) of the table in Schedule 7.

(6) If a sample of seeds submitted or taken in connection with an application made under [^{F6}regulation 6, 11, 13 or 20]—

- (a) is found not to have been taken in accordance with paragraph (1);
- (b) is taken from a seed lot that does not comply with paragraph (2); or
- (c) does not comply with paragraph (4) or (5);

no further use of that sample shall be made under these Regulations, and any findings or results already obtained from testing seed taken from that sample, or from inspecting plants grown in a control plot that has been sown with seed from that sample, shall be disregarded.

Packaging

24.—(1) No person shall market—

- (a) any officially certified pre-basic, basic, CS, C1 or C2 seed, or
- (b) a mixture of seeds to which regulation 22 applies,

unless it is marketed in a sufficiently homogeneous seed lot or in part of such a seed lot.

(2) Subject to paragraph (3), no person shall market—

- (a) breeder's seed;
- (b) officially certified pre-basic, basic, CS, C1 or C2 seed; ^{F7}...
- (c) a mixture of seeds to which regulation 22 applies^{F8, F9}...
- (d) test and trial seed,^{F10}or
- (e) seed of a conservation variety,]

unless it is in a properly sealed package.

(3) [^{F11}Paragraph (2)(a), (b) and (c)] shall not apply in the case of—

- (a) the marketing of seed not exceeding 5 kilograms in weight to the final consumer; and
- (b) the marketing of officially certified CS seed (other than maize), C1 seed or C2 seed in bulk direct to the final consumer in a container that is closed after filling and in respect of which the person marketing the seed delivers a note to the final consumer containing the information given on the official label on the container from which the seed was taken.

(4) In this regulation, in the case of breeder's seed [^{F12}and seed of a conservation variety], “properly sealed package” means a sealed package of seed that has been sealed in such a manner that it cannot be opened without damaging the sealing system or without leaving evidence of tampering on the label or package.

(5) In this regulation, in the case of a package of seed to which paragraph (6) applies and that has been sealed only once “properly sealed package” means—

- (a) in the case of a package of seed sealed in Wales, a sealed package of seed that has been sealed—
 - (i) no later than at the time of official sampling;
 - (ii) by a person to whom regulation 25(5) applies;
 - (iii) using a non-reusable sealing system or some other sealing system that includes the use of an official label or the affixing of an official seal; and
 - (iv) in such a manner that it cannot be opened without damaging the sealing system or without leaving evidence of tampering on the official label or package;
- (b) in the case of a package of seed sealed in—
 - (i) the United Kingdom, elsewhere than in Wales, or
 - (ii) another member State,

a sealed package of seed that has been sealed in accordance with the provisions of Article 9(1) of the Cereal Seed Directive;

- (c) in the case of a package of seed sealed in an equivalent third country, a sealed package of seed that has been sealed in accordance with the provisions of paragraph 1 of Part B of Annex II to the Third Country Equivalence Decision;

(6) This paragraph applies to package of officially certified pre-basic, basic, CS, C1 or C2 seed other than a small package of such seed that has been sealed in the United Kingdom.

Status: Point in time view as at 30/06/2009.

Changes to legislation: There are currently no known outstanding effects for the The Cereal Seed (Wales) Regulations 2005 (revoked), PART III . (See end of Document for details)

(7) In this regulation, in relation to a package of a mixture of seeds to which paragraph (8) applies and that has been sealed only once, “properly sealed package” means a sealed package of seed that has been sealed—

- (a) in the case of a package of seed sealed in Wales, a sealed package of seed that has been sealed—
 - (i) by a person to whom regulation 25(5) applies;
 - (ii) using a non-reusable sealing system or some other sealing system that includes the use of an official label or the affixing of an official seal; and
 - (iii) in such a manner that it cannot be opened without damaging the sealing system or without leaving evidence of tampering on the official label or package;

(8) This paragraph applies to package of a mixture of seeds to which regulation 22 applies other than a small package of such seed that has been sealed in the United Kingdom.

(9) In this regulation, in the case of—

- (a) a small package of officially certified pre-basic, basic, CS, C1 or C2 seed, and
- (b) a small package of a mixture of seeds to which regulation 22 applies,

that has been sealed in the United Kingdom “properly sealed package” means a sealed package of seed that has been sealed in such a manner that it cannot be opened without damaging the sealing system or without leaving evidence of tampering on the label or package.

(10) In this regulation, in the case of a package of seed to which paragraph (11) applies that has been sealed more than once, “properly sealed package” means—

- (a) in the case of a package of seed that has been resealed in Wales, a sealed package of seed that, on each occasion it has been resealed, has been resealed—
 - (i) by a person to whom regulation 25(5) applies, and
 - (ii) in such a manner that it cannot be opened without damaging the sealing system or without leaving evidence of tampering on the official label or package;
- (b) in the case of a package of seed that has been resealed in—
 - (i) the United Kingdom, elsewhere than in Wales, or
 - (ii) another member State,

a sealed package of seed that, on each occasion it has been resealed, has been sealed in accordance with the provisions of Article 9(2) of the Cereal Seed Directive;

- (c) in the case of seed that has been resealed in an equivalent third country, a sealed package of seed that, on each occasion it has been resealed, has been resealed in accordance with the provisions of paragraph 1 of Part B of Annex II to the Third Country Equivalence Decision.

(11) This paragraph applies to—

- (a) a package of officially certified pre-basic, basic, CS, C1 or C2 seed, and
- (b) a package of a mixture of seeds to which regulation 22 applies,

other than a small package of such seed that has been sealed in the United Kingdom or another member State.

^{F13}(12) In this regulation, in the case of test and trial seed, a “properly sealed package” means—

- (a) in the case of a package of seed sealed in Wales, a package of seed that has been sealed—
 - (i) by a person to whom regulation 25(5) applies;
 - (ii) using a non-reusable sealing system or some other sealing system that includes the use of an official label or the affixing of an official seal; and

- (iii) in such a manner that it cannot be opened without damaging the sealing system or without leaving evidence of tampering on the official label or package; and
- (b) in the case of a package of seed sealed in—
- (i) the United Kingdom, elsewhere than in Wales, or
 - (ii) another member State,
- a package of seed that has been sealed in accordance with the provisions of Article 8 of the 2004 Commission Decision.]
