EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations revoke and replace The Avian Influenza (Preventive Measures in Zoos) (Wales) Regulations 2005.

They bring into force Commission Decision [2005/744/EC](#) laying down the requirements for the prevention of highly pathogenic avian influenza caused by influenza A virus of subtype H5N1 in susceptible birds kept in zoos in the Member States (OJ No L 279, 22.10.2005, p.75).

They require the National Assembly to evaluate the risk of the transmission of avian influenza virus to susceptible birds in zoos and to take appropriate measures to reduce such risk (Regulation 4(1) and (2)).

Regulation 4(2) provides for the National Assembly to declare avian influenza prevention (zoos) zones or to serve notices of restrictions on premises. Regulation 4(3) sets out the measures which may be applied.

Regulation 5 provides for the National Assembly to require vaccination of susceptible birds in zoos if it thinks necessary.

Regulations 6, 7 and 8 deal with the powers of inspectors appointed by the National Assembly and by local authorities and with enforcement.

Regulation 9 revokes The Avian Influenza (Preventive Measures in Zoos) (Wales) Regulations 2005.

A regulatory appraisal has not been prepared in respect of these Regulations.

Changes to legislation:

The Avian Influenza (Preventive Measures in Zoos) (Wales) (No. 2) Regulations 2005 is up to date with all changes known to be in force on or before 13 June 2023. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations.
