**The Products of Animal Origin (Third
Country Imports) (Wales) Regulations 2005**

PART 6

Products Intended for Import

Transshipment of products intended for import

38.—(1) This regulation applies to transhipped products where the border inspection post of introduction is in Wales.

(2) As soon as a product to which this regulation applies arrives at the border inspection post of introduction, the person responsible for the product shall notify the official veterinary surgeon there in writing, or in computerised or other electronic form, of the exact location of the product, of the estimated time of its transshipment or unloading, and of its border inspection post of destination.

(3) Where, according to the notification given pursuant to paragraph (2), a product to which this regulation applies is to be transhipped—

- (a) from one aircraft to another, either directly or after being unloaded in a customs controlled area at the border inspection post of introduction for less than twelve hours, or
- (b) from one sea-going vessel to another, either directly or after being unloaded in an area as aforesaid for less than seven days,

any person required by regulation 18 to present the product and its required documents, or to ensure that they are presented, to the official veterinary surgeon at the border inspection post of introduction, shall, if the official veterinary surgeon considers that the product presents a risk to animal or public health, permit the official veterinary surgeon, or an assistant appointed pursuant to regulation 6(1)(b) or 6(2)(c), to carry out a documentary check on the required documents.

(4) Where a product to which this regulation applies is proposed to be unloaded from an aircraft for twelve hours or more, the person responsible for the product shall ensure that it is stored for not more than 48 hours under the supervision of the official veterinary surgeon at the border inspection post of introduction in a customs controlled area there and is then reloaded onto an aircraft for onward transport to its border inspection post of destination.

(5) Where a product to which this regulation applies is proposed to be unloaded from a sea-going vessel for seven days or more, the person responsible for the product shall ensure that it is stored for not more than twenty days under the supervision of the official veterinary surgeon at the border inspection post of introduction in a customs controlled area there and is then reloaded onto a sea-going vessel for onward transport to its border inspection post of destination.

(6) Any person required by regulation 18 to present a product to which paragraph (4) or paragraph (5) applies and its required documents to the official veterinary surgeon at a border inspection post of introduction shall permit the official veterinary surgeon there, or an assistant appointed pursuant to regulation 6(1)(b) or 6(2)(c), to carry out a documentary check on the required documents and, if the official veterinary surgeon considers that the product presents a risk to animal

or public health, an identity check of the product against the required documents and a physical check of the product.

(7) Where a product to which paragraph (4) applies is stored for more than 48 hours after unloading, or a product to which paragraph (5) applies is stored for more than twenty days after unloading, any person required by regulation 18 to present the product and its required documents to the official veterinary surgeon at the border inspection post of introduction, shall permit the official veterinary surgeon there, or an assistant appointed pursuant to regulation 6(1)(b) or 6(2)(c), to carry out in all cases, an identity check of the product against the required documents and a physical check of the product.
