These Regulations do not apply in relation to animals kept for the purposes of research in premises approved for that purpose under the Transmissible Spongiform Encephalopathies (Wales) Regulations 2006⁽¹⁾.

Interpretation

2.—(1) In these Regulations—

“Community TSE Regulation” (“Rheoliad TSE y Gymuned”) means Regulation (EC) No 999/2001 of the European Parliament and of the Council laying down rules for the prevention, control and eradication of certain transmissible spongiform encephalopathies⁽²⁾, as amended by, and as read with the instruments set out in Schedule 1 to the Transmissible Spongiform Encephalopathies (Wales) Regulations 2006;

“National Assembly” (“y Cynulliad Cenedlaethol”) means the National Assembly for Wales;

“Suspect animal” (“Anifail y credir iddo gael ei heintio”) is an animal suspected of being infected with a TSE;

“TSE” (“TSE”) means transmissible spongiform encephalopathy.

(2) Expressions that are not defined in these Regulations and occur in the Community TSE Regulation have the same meaning in these Regulations as they have for the purposes of the Community TSE Regulation.

Compensation for sheep or goats slaughtered as a suspect animal

3.—(1) The National Assembly must pay compensation in accordance with this paragraph for a sheep or goat killed as a suspect animal.

(2) Where it is confirmed that a sheep or goat was affected with a TSE, the compensation is—

- (a) £30 in the case of an animal at the end of its productive life; and
- (b) £90 in any other case.

(3) Where it is not confirmed that a sheep or goat was affected with a TSE, the compensation is the higher of—

- (a) the amount that would have been payable under this paragraph if it had been confirmed the animal was affected with a TSE; or

(1) S.I.2006/1226.

(2) OJNo. L 147, 31.5.2001, p.1

- (b) such sum as appears to the National Assembly, having regard to any information provided by the owner of the animal and any other relevant information, to reflect the market value of the animal, subject to a maximum sum of £400 for each animal.

Compensation for animals killed or products destroyed following confirmation of TSE

4. The National Assembly must pay compensation to the owner of animals killed and products destroyed under Schedule 4 of the Transmissible Spongiform Encephalopathies (Wales) Regulations 2006 following confirmation of a TSE in accordance with the provisions of the Schedule to these Regulations.

Valuations

5.—(1) If the owner of an animal considers the compensation in the Schedule to be unreasonable he or she may notify the National Assembly, and the procedure in Regulation 15 of the Transmissible Spongiform Encephalopathies (Wales) Regulations 2006 applies, with the owner paying any fee arising from nominating and employing a valuer.

(2) If the National Assembly considers the compensation in the Schedule to be excessive in all the circumstances it may obtain a valuation of the animal in accordance with the procedure in Regulation 15, but in this case it must pay any fee arising for nominating and employing a valuer.

(3) The valuer must value the animal at the price that might reasonably have been obtained for it at the time of valuation from a buyer in the open market if the animal was from a flock not affected by TSE.
