The Avian Influenza and Influenza of Avian
Origin in Mammals (Wales) Order 2006

PART 4

Measures on confirmation of highly pathogenic avian
influenza at premises other than regulated places

Movement of birds off premises for killing

21. If the National Assembly considers that killing birds off suspect premises would limit the risk of the spread of avian influenza more effectively, it may—

- (a) direct, by notice to the occupier of the premises where the birds are located, that killing of the birds specified in the notice be carried out at a place specified in the notice; and
- (b) license the movement of those birds to that place.
