

## SCHEDULE 6

Measures when low pathogenic avian influenza is confirmed

### PART 1

Measures on premises where low pathogenic avian influenza is confirmed

#### **Prohibition on the movement of people, animals, vehicles and equipment to and from premises**

7.—(1) No person is to move to or from the premises and no person is to move any mammal, vehicle or equipment to or from the premises, unless the movement is licensed by a veterinary inspector.

(2) Paragraph (1) does not apply to pet animals which—

- (a) only have access to a part of the premises where people live;
- (b) have no contact with poultry or other captive birds on the premises; and
- (c) have no access to any cages or areas on the premises where poultry or other captive birds are kept.
