The Avian Influenza and Influenza of Avian
Origin in Mammals (Wales) (No 2) Order 2006

PART 4

Measures on confirmation of highly pathogenic avian
influenza at premises other than regulated places

Measures on special category premises

22.—(1) A veterinary inspector must not license the movement of birds not killed under paragraph 5 of Schedule 3 to the Act from infected premises which are special category premises unless he or she is satisfied, following tests on the birds, that they are not infectious.

(2) A veterinary inspector must not license a movement to another member State unless the movement is authorised by the competent authority of that member State.

(3) The following are special category premises—

- (a) non-commercial premises;
- (b) circuses;
- (c) zoos;
- (d) pet shops;
- (e) wildlife parks;
- (f) fenced areas where poultry or other captive birds are kept for scientific purposes or for purposes related to the conservation of endangered species;
- (g) premises or parts of premises where only breeds of poultry or other captive birds which the National Assembly considers to be rare are kept.

(4) “Non-commercial premises” has the meaning it has in article 11(5).
