Origin in Mammals (Wales) (No 2) Order 2006**

PART 5

**Measures on suspicion or confirmation of highly
pathogenic avian influenza in regulated places and vehicles**

Reintroduction of poultry and other captive birds

44.—(1) No person is to reintroduce poultry to a slaughterhouse where highly pathogenic avian influenza was suspected or confirmed until an inspector has confirmed that the cleansing and disinfection referred to in article 43 ^[F1]has been completed and at least 24 hours have elapsed since its completion].

(2) No person is to reintroduce poultry or other captive birds to a border inspection post where highly pathogenic avian influenza was suspected or confirmed until an inspector has confirmed that the cleansing and disinfection referred to in article 43 ^[F1]has been completed and at least 24 hours have elapsed since its completion].

(3) If it considers it necessary to reduce the risk of the spread of avian influenza, the National Assembly may, by notice to the occupier of such a border inspection post, prohibit the introduction of animals other than birds onto the premises until the cleansing and disinfection referred to in article 43 ^[F1]has been completed and at least 24 hours have elapsed since its completion].
