

SCHEDULE

Permitted movements

PART 5

Vaccinated poultry for slaughter

10.—(1) Provided that the conditions in sub-paragraph (2) are fulfilled, the movement of any vaccinated poultry for slaughter—

- (a) from premises that are within a vaccination zone to other premises that are within a vaccination zone; or
- (b) from premises that are within a vaccination zone, or the subject of a vaccination notice, to premises that are outside a vaccination zone or are not the subject of a vaccination notice.

(2) The conditions are—

- (a) the poultry has been vaccinated with a vaccine specified in the declaration or emergency vaccination notice under regulation 6(1);
- (b) it has been clinically examined and tested before loading by a veterinary inspector who has not placed it under any restrictions;
- (c) it has been clinically inspected by a veterinary inspector within 48 hours before loading and if appropriate any sentinel birds on the premises have also been examined by a veterinary inspector;
- (d) it is to be sent directly to a designated slaughterhouse.

Changes to legislation:

There are currently no known outstanding effects for the The Avian Influenza (Vaccination) (Wales) (No.2) Regulations 2006, Paragraph 10.
