

SCHEDULE 2

Regulations 13 and 14

PROVISION OF SERVICES: UNITS OF DENTAL
ACTIVITY AND UNITS OF ORTHODONTIC ACTIVITY

PART 1

UNITS OF DENTAL ACTIVITY

1.—(1) Where the contractor provides a banded course of treatment, the contractor provides the number of units of dental activity specified in the appropriate row of Table A.

(2) Where a banded course of treatment is commenced but not completed for whatever reason, the appropriate number of units of dental activity provided will be calculated on the basis of the components of the course of the treatment which has been—

- (a) completed;
- (b) commenced but not completed.

[^{F1}(3) Where a patient is referred by the contractor for advanced mandatory services to another provider of primary dental services, the appropriate number of units of dental activity provided by—

- (a) that contractor; and
- (b) the other provider of primary dental services, if that provider is also a contractor, must be calculated on the basis of the components of the course of treatment which they actually provide, notwithstanding that the treatment constitutes a single banded course of treatment for charging purposes.]
