2006 No. 866

The Brucellosis (Wales) Order 2006

Control of infection to other animals

17. Where a veterinary inspector reasonably believes that a bovine animal kept on any premises is, or may be infected with brucellosis, the veterinary inspector may serve a notice on the owner or occupier of the premises, requiring that person to keep it under control in such manner or confined to such part of the premises as may be specified in the notice.

Changes to legislation:

There are currently no known outstanding effects for the The Brucellosis (Wales) Order 2006, Section 17.
