Transfer of status

69.—(1) Where an eligible part-time student transfers to another part-time course, the National Assembly must transfer the student’s status as an eligible part-time student to that course where —

- (a) it receives a request from the eligible part-time student to do so;
 - (b) it is satisfied that one or more of the grounds for transfer in paragraph (2) applies; and
 - (c) the period of eligibility has not expired or been terminated.

 - (c) after commencing a designated part-time course for a first degree (other than an honours degree) the eligible part-time student is, before the completion of that course, admitted to a designated part-time course for an honours degree in the same subject or subjects at the institution.
- (3) Subject to paragraph (4), an eligible part-time student who transfers under paragraph (1) shall, for the remainder of the academic year in which he or she transfers, continue to receive in connection with the course to which he or she transfers the support for which the National Assembly has determined he or she qualifies in respect of the course from which he or she transfers.
- (4) The National Assembly may re-assess the amount of support payable after the transfer in accordance with this Part.

(6) Where a student transfers under paragraph (1), the maximum amount of assistance under regulation 65(1)(a) in respect of the academic years to and from which he or she transfers is the amount of assistance with fees available in connection with the course which has the highest intensity of study as defined in regulation 65.

Conversion of status

70.—(1) Where an eligible student ceases to undertake a designated course and transfers to a designated part-time course at the same or at another institution, the National Assembly must convert the student's status as an eligible student to that of an eligible part-time student in connection with the course to which he or she is transferring where —

- (b) the period of eligibility has not expired or been terminated.

(2) Where, before completing the designated course, the student transfers to a part-time course in the same subject or subjects leading to the same qualification at the same institution, the part-time course is treated as satisfying regulation 63(1)(b) if the period of part-time study to be undertaken by the student is of at least one academic year's duration and does not exceed twice the period normally required to complete the remainder of the designated course from which the student transfers.

(3) The following applies to a student who transfers under paragraph (1) —

- (a) where the National Assembly has determined to pay an amount of grant to the student under regulation 24 in periodic instalments, no payment in respect of that amount of grant may be made in respect of any instalment period beginning after the date on which the student became an eligible part-time student;
- (b) the maximum amount of grant to which the student would, apart from this regulation, be entitled pursuant to regulation 66 in connection with his or her undertaking a designated part-time course in respect of that academic year is reduced by one third where the student became an eligible part-time student during the second quarter of the academic year and by two thirds where he or she became such a student in a later quarter of that year;
- (c) where an amount of grant for any purpose has been paid to the student under regulation 24 in a single instalment, the maximum amount of grant payable to him or her pursuant to regulation 66 for that purpose is reduced (or, where sub-paragraph (b) applies, further reduced) by the amount of grant paid to him or her for that purpose pursuant to regulation 24, and where the resulting amount is nil or a negative amount that amount is nil; and
- (d) where immediately before he or she became an eligible part-time student he or she was eligible to apply, but had not applied, for a loan for living costs in respect of that year, or had not applied for the maximum amount or increased maximum for which he or she was entitled, he or she may apply for such a loan or such additional amount of loan as if he or she had continued to be an eligible student; and in the circumstances mentioned in paragraph (4) the maximum or increased maximum amount of such loan for the academic year is reduced in accordance with that paragraph.

(4) Where the request under paragraph (1) is made during the first quarter of the academic year in respect of which the loan is payable the maximum amount or increased maximum amount of loan (as the case may be) is reduced by two thirds, and where the request is made during the second quarter of that year that amount is reduced by one third.

(5) Where an eligible part-time student ceases to undertake a designated part-time course and transfers to a designated course at the same or at another institution, the National Assembly must

convert that student's status as an eligible part-time student to that of an eligible student in connection with the course to which he or she is transferring where —

 - (b) the period of eligibility has not expired or been terminated.
- (6) The following applies to a student who transfers under paragraph (5) —

 - (c) the maximum amount of any support under Part 7 or 8 to which the student would, apart from this regulation, be entitled in connection with a designated course in respect of that academic year is reduced by one third where the student became an eligible student during the second quarter of that academic year and by two thirds where he or she became such a student in a later quarter of that year; and
 - (d) where an amount of grant for any purpose has been paid to the student pursuant to regulation 66 in a single instalment, the maximum amount of grant payable to him or her under regulation 24 for that purpose is reduced (or, where sub-paragraph (c) applies, further reduced) by the amount of grant paid to him or her for that purpose pursuant to regulation 66 and where the resulting amount is nil or a negative amount that amount is nil.

Payment of support to eligible part-time students

71.—(1) The National Assembly must pay support under regulation 66 and under regulation 65(1)(b) and in such instalments (if any) and at such times as it considers appropriate and in the exercise of its functions under this paragraph it may, where a final assessment cannot be made on the basis of the information provided by the student, make a provisional assessment of the support payable.

(2) Payments may be made in such manner as the National Assembly considers appropriate and it may make it a condition of entitlement to payment that the eligible part-time student must provide it with particulars of a bank or building society account in the United Kingdom into which payments may be made by electronic transfer.

(3) The National Assembly must not pay the first instalment or, where it has been determined not to pay support in instalments, make any payment of the grant for books, travel and other expenditure or the disabled part-time students' grant for living costs under regulation 66 before it has received the declaration referred to in regulation 67(2) unless an exception applies.

- (4) An exception applies if—
- (a) a disabled part-time students' grant for living costs under regulation 66 is payable in which case that particular grant may be paid before the National Assembly has received a declaration;
 - (b) the National Assembly has determined that owing to exceptional circumstances it would be appropriate to make a payment without receiving a declaration.

Payment of grants for fees

72.—(1) Subject to paragraphs (2) and (3), the National Assembly must pay the grant in respect of fees for which the student qualifies under regulation 65(1)(a) to the appropriate academic authority after a valid request for payment has been received.

(2) The National Assembly may make payments under paragraph (1) at such times and in such instalments as it sees fit.

(3) The National Assembly may make provisional payments under paragraph (1) in such cases as it deems appropriate.

Overpayments

73.—(1) Any overpayment of a grant in respect of fees under regulation 65(1)(a) may be recovered by the National Assembly from the academic authority.

(2) An eligible part-time student must, if so required by the National Assembly, repay any amount paid to the student under this Part which for whatever reason exceeds the amount of grant to which he or she qualifies under this Part.

(3) Any overpayment of grant under this Part may be recovered in whichever one or more of the following ways the National Assembly considers appropriate in all the circumstances —

- (a) by subtracting the overpayment from any kind of grant payable to the student from time to time pursuant to regulations made under section 22 of the Act;
- (b) by taking such other action for the recovery of an overpayment as is available to it.

(4) A payment of the disabled part-time students' grant for living costs under regulation 66 made before the relevant date is an overpayment if the student withdraws from the course before the relevant date unless the National Assembly decides otherwise.

(5) The “relevant date” (*dyddiad perthnasol*) is the date on which the first term of the academic year in question actually begins.

(6) In the circumstances in paragraph (7) or (8), there is an overpayment of the disabled part-time students' grant for living costs under regulation 66 unless the National Assembly decides otherwise.

(7) The circumstances are—

- (a) the National Assembly applies all or part of the disabled part-time students' grant for living costs under regulation 66 to the purchase of specialist equipment on behalf of the eligible part-time student;
- (b) the student’s period of eligibility terminates after the relevant date; and
- (c) the equipment has not been delivered to the student before the student’s period of eligibility terminated.

(8) The circumstances are—

- (a) the eligible part-time student’s period of eligibility terminates after the relevant date;
- (b) a payment of the disabled part-time students' grant for living costs under regulation 66 in respect of specialist equipment is made to the student after the eligible part-time student’s period of eligibility terminates.

(9) Where there is an overpayment of the disabled part-time students' grant for living costs under regulation 66, the National Assembly may accept the return of specialist equipment purchased with the grant by way of recovery of all or part of the overpayment if it considers it is appropriate to do so.
