2007 No. 203

The Environmental Impact Assessment (Uncultivated Land and Semi-natural Areas) (Wales) (Amendment) Regulations 2007

Application of Regulations

4. In regulation 3—

- (a) after “from” in paragraph (3) insert “regulations 4 to 26”; and
- (b) after paragraph (4) add—

“(5) Where the National Assembly proposes to give a direction under paragraph (3) it must—

- (a) consider whether any assessment of the project would be appropriate, other than an assessment of the kind which, if regulations 4 to 26 of these Regulations applied to the project, would be required prior to a screening decision under regulation 5(4) or a decision to grant or refuse consent under regulation 13(1); and
- (b) take such steps as it considers appropriate to bring to the attention of the public—
 - (i) the information considered in making the direction and the reasons for doing so, and
 - (ii) the information obtained from any assessment of the project under subparagraph (a).”.
