The Street Works (Registers, Notices, Directions and Designations) (Wales) (No 2) Regulations 2008

Street works registers

4.—(1) Subject to regulation 13 and to the requirements set out in paragraphs (2) and (3), street works registers must be kept so as to enable the information referred to in paragraphs (4) and (5), relating to a particular street, to be traced.

(2) Each register must —

- (a) be indexed;
- (b) no later than 1st April 2009, be based on a geographical information system; and
- (c) identify the highway authority in relation to every street in the street authority's area which is a maintainable highway.

(3) Every register kept by a local highway authority must be in a form which complies with the system of street referencing specified in Part I of the publication issued by the British Standards Institution on 1st August 2006 entitled: “*Spatial data sets for geographical referencing — specification for a street gazetteer*” under reference No.BS 7666-1 2006(1) as revised or re-issued from time to time.

(4) The information with respect to street works to be shown on the register and, in each case, the person responsible for securing its registration are specified in columns (1) and (2) respectively of the following Table.
