(Higher Education) (Wales) Regulations 2009**

PART 2

ELIGIBILITY

Period of eligibility

6.—(1) An eligible student retains his or her status as an eligible student in connection with a designated course until the status terminates in accordance with this regulation or regulation 4.

(2) The period for which an eligible student retains the status is the “period of eligibility” (“*cyfnod cymhwysra*”).

(3) Subject to the following paragraphs and regulation 4, the “period of eligibility” terminates at the end of the academic year in which the student completes the designated course.

(4) The period of eligibility terminates when the eligible student—

(a) withdraws from his or her designated course in circumstances where the Welsh Ministers have not transferred or converted or will not transfer or convert his or her status as an eligible student under regulation 8, 80 or regulation 104; or

(b) abandons or is expelled from his or her designated course.

(5) The Welsh Ministers may terminate the period of eligibility where the eligible student has shown himself or herself by his or her conduct to be unfitted to receive support.

(6) If the Welsh Ministers are satisfied that an eligible student has failed to comply with any requirement to provide information under these Regulations or has provided information which is inaccurate in a material particular, the Welsh Ministers may take such of the following actions as they consider appropriate in the circumstances—

(a) terminate the period of eligibility;

(b) determine that the student no longer qualifies for any particular support or particular amount of support;

(c) treat any support paid to the student as an overpayment which may be recovered under regulations 66, 84, 108, 117 and paragraph 16 of Schedule 4.

(7) Where the period of eligibility terminates before the end of the academic year in which the student completes the designated course, the Welsh Ministers may, at any time, renew the period of eligibility for such period as they determine.

(8) Despite paragraph (1), a new system eligible student or gap-year student who has not attended a previous course is only eligible for a grant or loan for fees or a grant for living costs in respect of the present course for the number of academic years equal to **OD+R+1**.

(9) Despite paragraph (1) and subject to paragraph (11), a new system eligible student or gap-year student who has attended a previous course is only eligible for grants or loans for fees and

grants for living costs in respect of the present course for the number of academic years equal to **(OD+R+1)–PC**, except that—

- (a) no deduction equivalent to **PC** applies in the case of a teacher training student; and
- (b) one additional year is added in the case of an eligible student who did not complete successfully the latest previous course because of compelling personal reasons.

(10) Paragraph (11) applies to—

- (a) a new system eligible student who is on an end-on course of the kind described in paragraph (a) or (b) of the definition of “end-on course” in regulation 2;

 - (i) has completed a full-time course mentioned in paragraph 2 or 3 of Schedule 2;

(14) A transferring student starting the first full academic year of a further course to which he or she transfers under regulation 8 after 1 September 2010 is only eligible for a grant or loan for fees or a grant for living costs in respect of the further course for the number of years equal to **(A +R+1)–Y–Z**.

(15) In any case where the number of academic years for which a grant or loan for fees or a grant for living costs is available in accordance with this regulation is less than the number of academic years that make up the period ordinarily required for the completion of the present course, the academic years in which the student is eligible for a grant or loan for fees or a grant for living costs are the latest years of the present course.

(19) The Welsh Ministers may confer eligibility to grants and loans for fees and grants for living costs otherwise than in accordance with paragraphs (8) to (16).
