

EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations provide for support for one eligible student taking a designated higher education course at the European University Institute in respect of an academic year beginning on or after 1 September 2010.

Grants for living and other costs, a disabled student's allowance and a grant for dependants are available for the eligible student.

These Regulations set out the eligibility criteria for the grants, the application procedure and the method for calculating the amount of grant payable. The Regulations also set out the arrangements for payment of the grants and recovery of any overpayments.

These Regulations revoke the Assembly Learning Grants (European Institutions) (Wales) 2008 to the extent set out in regulations 4 and 5.
