

SCHEDULE 7

Public information in relation to alert and information thresholds for nitrogen dioxide, sulphur dioxide and ozone

3. Information on any incident where information or alert thresholds have been exceeded—
 - (a) the location or area where thresholds have been exceeded;
 - (b) the type of threshold exceeded (information or alert threshold);
 - (c) the time at which the threshold was exceeded and the duration of the incident; and
 - (d) in the case of ozone, the highest one hour and eight hour concentration.

Changes to legislation:

There are currently no known outstanding effects for the The Air Quality Standards (Wales) Regulations 2010, Paragraph 3.
