PART III

Proceedings of Councils

Appointment of other committees by a Council

20.—(1) Without prejudice to regulations 17, 18, 19 and 21, a Council may appoint one or more other committees of the Council to exercise subject to such restrictions and conditions as the Council thinks fit, some, but not all, of the Council's functions.

(2) Appointment of members of committees under this regulation is at the discretion of the appointing Council and such appointments may consist partly of persons who are not members of a Council.

(3) In the case of new Councils the executive committee must determine the constitution and standing orders of committees appointed under this regulation, which may be varied or revoked only on the approval of the executive committee.

(4) In the case of continued Councils, the members must determine the constitution and standing orders of committees appointed under this regulation, which may be varied or revoked only if a majority of members approve such variation or revocation. In this regulation, majority of members means a majority of members who are entitled to vote.
