

SCHEDULE 2

INFORMATION ABOUT PUPILS' ATTAINMENT RESULTS, PERFORMANCE TARGETS, ABSENCE RATES AND TARGETS FOR ABSENCES TO BE PUBLISHED IN ANNUAL REPORTS

3. Where a school's annual report in relation to the relevant school year is published in the course of that year, the school's annual report in relation to the relevant school year must contain the following information—

- (a) pupils' attainment results in the school year immediately preceding the relevant school year;
- (b) performance targets as specified in paragraph 4;
- (c) the school's absence rate in the school year immediately preceding the relevant school year;
- (d) the absence targets specified in paragraph 4; and
- (e) a statement setting out the extent to which—
 - (i) pupils' attainment results; and
 - (ii) the school's absence rate,

in the school year immediately preceding the relevant school year met the corresponding final targets set for the same year.
