

## SCHEDULE 12

### **All applicants: matters that must be included in an authority's scheme — procedural matters**

#### **PART 4**

##### Electronic communication

###### **Use of intermediaries**

- 14.** An authority may use intermediaries in connection with—
- (a) the delivery of any information by means of an electronic communication; and
  - (b) the authentication or security of anything transmitted by such means,
- and may require other persons to use intermediaries in connection with those matters.
