(2) In calculating a person's maximum council tax reduction under an authority's scheme any reduction in the amount that person is liable to pay in respect of council tax, which is made in consequence of any enactment in, or made under, the 1992 Act (other than a reduction under an authority's scheme), is to be taken into account.

(3) Subject to sub-paragraph (4), where an applicant is jointly and severally liable for council tax in respect of a dwelling in which the applicant is resident with one or more other persons, in determining the maximum council tax reduction in the applicant's case in accordance with sub-paragraph (1), the amount A is to be divided by the number of persons who are jointly and severally liable for that tax.

(4) Where an applicant is jointly and severally liable for council tax in respect of a dwelling with only a partner, sub-paragraph (3) does not apply in that applicant's case.

(5) The reference in sub-paragraph (3) to a person with whom an applicant is jointly and severally liable for council tax does not include a student to whom paragraph 3 of Schedule 11 (students who are excluded from entitlement to a reduction under an authority's scheme) applies.

(4) In applying the provisions of sub-paragraph (2) in the case of a couple or, as the case may be, a polygamous marriage, regard must be had, for the purpose of that sub-paragraph, to the couple's or, as the case may be, all members of the polygamous marriage's joint weekly gross income.

(5) Where in respect of a day—

- (a) a person is a resident in a dwelling but that person is not liable for council tax in respect of that dwelling and that day;

the deduction in respect of that non-dependant must be apportioned equally between those liable persons.

- (a) an applicant; and
 - (b) any partner of that applicant,

- (a) the applicant must be treated as possessing capital and income belonging to each such member; and

6.—(1) Sub-paragraph (2) applies where it appears to the authority that a non-dependant and an applicant have entered into arrangements in order to take advantage of an authority's scheme and the non-dependant has more income and capital than the applicant.

(2) Except where—

- (a) the applicant is a pensioner and is on a guarantee credit, or
- (b) the applicant is not a pensioner and is on income support, an income-based jobseeker's allowance or an income-related employment and support allowance,

the authority must treat the applicant as possessing income and capital belonging to that non-dependant and, in such a case, any capital and income which the applicant does possess is to be disregarded.

(3) Where an applicant is treated as possessing capital and income belonging to a non-dependant under sub-paragraph (2) the capital and income of that non-dependant must be calculated in accordance with the following provisions of this Part in like manner as for the applicant and, except where the context otherwise requires, any reference to the "applicant" ("*ceisydd*") is to be construed for the purposes of this Part as if it were a reference to that non-dependant.

CHAPTER 2

Income: pensioners in receipt of guarantee credit or savings credit: pensioners

Pensioners in receipt of guarantee credit

7. In the case of an applicant who is a pensioner and who is in receipt, or whose partner is in receipt, of a guarantee credit, the whole of the applicant's capital and income must be disregarded.

Calculation of pensioner's income in savings credit only cases

8.—(1) In determining the income and capital of an applicant who is a pensioner and who has, or whose partner has, an award of state pension credit comprising only the savings credit, subject to the following provisions of this paragraph, an authority must use the calculation or estimate of the applicant's or as the case may be, the applicant's partner's income and capital made by the Secretary of State for the purpose of determining the award of state pension credit.

(2) Where the calculation or estimate provided by the Secretary of State includes an amount taken into account in that determination in respect of net income, the authority may only adjust that amount so far as necessary to take into account—

- (a) the amount of any savings credit payable;
- (b) in respect of any dependent children of the applicant, child care charges taken into account under paragraph 18 (calculation of income on a weekly basis);
- (c) the higher amount disregarded under an authority's scheme in respect of—

- (g) such further reduction (if any) as the authority thinks fit under section 13A(1)(c) of the 1992 Act⁽⁵⁾;
- (h) any amount to be disregarded by virtue of paragraph 6 of Schedule 3 (sums to be disregarded from applicant's income: pensioners).

(3) Paragraphs 10 to 30 of this Schedule do not apply to the amount of the net income to be taken into account under sub-paragraph (1), but do apply (so far as relevant) for the purpose of determining any adjustments to that amount which the authority makes under sub-paragraph (2).

(4) If sub-paragraph (5) applies, the authority must calculate the applicant's capital in accordance with paragraphs 25 to 30 (calculation of capital: pensioners).

(5) This sub-paragraph applies if—

- (a) the Secretary of State notifies the authority that the applicant's capital has been determined as being £16,000 or less or the authority determines the applicant's capital as being £16,000 or less;
- (b) subsequent to that determination the applicant's capital rises to more than £16,000; and

(2) For the purposes of sub-paragraph (1) net earnings must, except where sub-paragraph (5) applies, be calculated by taking into account the gross earnings of the applicant from that employment over the assessment period, less—

- (a) any amount deducted from those earnings by way of—

(3) In this paragraph “qualifying contribution” (“*cyfraniad cymwys*”) means any sum which is payable periodically as a contribution towards a personal pension scheme.

(4) The amount in respect of any qualifying contribution is to be calculated by multiplying the daily amount of the qualifying contribution by the number equal to the number of days in the assessment period; and for the purposes of this paragraph the daily amount of the qualifying contribution is to be determined—

- (a) where the qualifying contribution is payable monthly, by multiplying the amount of the qualifying contribution by 12 and dividing the product by 365;
- (b) in any other case, by dividing the amount of the qualifying contribution by the number equal to the number of days in the period to which the qualifying contribution relates.

(5) Where the earnings of an applicant are determined under paragraph 11(2)(b) (calculation of weekly income: classes A and B) that applicant's net earnings are to be calculated by taking into account those earnings over the assessment period, less—

- (a) over a period of one year; or
- (b) where the applicant has recently become engaged in that employment or there has been a change which is likely to affect the normal pattern of business, over such other period ("computation period") as may, in the particular case, enable the weekly amount of the applicant's earnings to be determined more accurately.

(2) For the purposes of determining the weekly amount of earnings of an applicant to whom sub-paragraph (1)(b) applies, the applicant's earnings over the computation period are to be divided by the number equal to the number of days in that period and the quotient multiplied by 7.

(3) The period over which the weekly amount of an applicant's earnings is calculated in accordance with this paragraph is to be the applicant's assessment period.

 - (b) in any other case, by dividing the amount of the qualifying premium by the number equal to the number of days in the period to which the qualifying premium relates.
- (11) In this paragraph, “qualifying premium” (*“premiwm cymwys”*) means any premium which is payable periodically in respect of a personal pension scheme and is so payable on or after the date of application.

CHAPTER 4

Capital

Calculation of Capital

25.—(1) The capital of an applicant⁽⁵²⁾ to be taken into account must be, subject to subparagraph (2), the whole of the applicant's capital calculated in accordance with this Part.

(2) There must be disregarded from the calculation of an applicant's capital under subparagraph (1), any capital, where applicable, specified in Schedule 5 (capital disregards), in relation to pensioners.

(3) In the case of an applicant who is a pensioner, the applicant's capital is to be treated as including any payment made to the applicant by way of arrears of—

- (a) child tax credit;
- (b) working tax credit;
- (c) state pension credit,

if the payment was made in respect of a period for the whole or part of which a reduction under an authority's scheme was allowed before those arrears were paid.

Calculation of capital in the United Kingdom

26. Capital which an applicant possesses in the United Kingdom is to be calculated at its current market or surrender value less—

- (a) where there would be expenses attributable to the sale, 10 per cent; and

subsections (2) were amended by, subsection (1) substituted by, and subsection (2A) inserted by section 4 of the 2012 Act; subsection (2) has also been amended by article 3 of [S.I. 2012/3047](#) and section 4 of the Finance Act 2009.

(52) The capital limit is £16,000, see paragraph 31.

- (b) the amount of any encumbrance secured on it.

Calculation of capital outside the United Kingdom

27. Capital which an applicant possesses in a country outside the United Kingdom is to be calculated—

- (a) in a case where there is no prohibition in that country against the transfer to the United Kingdom of an amount equal to its current market or surrender value in that country, at that value;
- (b) in a case where there is such a prohibition, at the price which it would realise if sold in the United Kingdom to a willing buyer,

less, where there would be expenses attributable to sale, 10 per cent and the amount of any encumbrances secured on it.

Notional capital

28.—(1) An applicant is to be treated as possessing capital of which the applicant has deprived himself or herself for the purpose of securing entitlement to a reduction or increasing the amount of that reduction except to the extent that that capital is reduced in accordance with paragraph 29 (diminishing notional capital rule).

(2) An applicant who is a pensioner who disposes of capital for the purpose of—

- (a) reducing or paying a debt owed by the applicant; or
- (b) purchasing goods or services if the expenditure was reasonable in the circumstances of the applicant's case,

is to be regarded as not depriving himself or herself of it.

(3) Where an applicant stands in relation to a company in a position analogous to that of a sole owner or partner in the business of that company, the applicant may be treated as if the applicant were such sole owner or partner and in such a case —

- (a) the value of the applicant's holding in that company must, notwithstanding paragraph 25 (calculation of capital) be disregarded; and
- (b) the applicant must, subject to sub-paragraph (4), be treated as possessing an amount of capital equal to the value or, as the case may be, the applicant's share of the value of the capital of that company and the foregoing provisions of this Chapter apply for the purposes of calculating that amount as if it were actual capital which the applicant does possess.

(4) For so long as the applicant undertakes activities in the course of the business of the company, the amount which the applicant is treated as possessing under sub-paragraph (3) is to be disregarded.

(5) Where an applicant is treated as possessing capital under sub-paragraph (1), the foregoing provisions of this Chapter apply for the purposes of calculating its amount as if it were actual capital which the applicant does possess.

Diminishing notional capital rule: pensioners

29.—(1) Where an applicant who is a pensioner is treated as possessing capital under paragraph 28(1) (notional capital), the amount which the applicant is treated as possessing—

- (a) in the case of a week that is subsequent to—
 - (i) the relevant week in respect of which the conditions set out in sub-paragraph (2) are satisfied; or
 - (ii) a week which follows that relevant week and which satisfies those conditions,

is to be reduced by an amount determined under sub-paragraph (3);

(b) in the case of a week in respect of which sub-paragraph (1)(a) does not apply but where—

(i) that week is a week subsequent to the relevant week; and

(ii) that relevant week is a week in which the condition in sub-paragraph (4) is satisfied,

is to be reduced by the amount determined under sub-paragraph (5).

(2) This sub-paragraph applies to a reduction week where the applicant satisfies the conditions that—

(a) the applicant is in receipt of a reduction in council tax under an authority's scheme; and

(b) but for paragraph 28(1), the applicant would have received a greater reduction in council tax under an authority's scheme in that week.

(3) In a case to which sub-paragraph (2) applies, the amount of the reduction in the amount of capital the applicant is treated as possessing for the purposes of sub-paragraph (1)(a) must be equal to the aggregate of—

(a) an amount equal to the additional amount of the reduction in council tax to which sub-paragraph (2)(b) refers;

(b) where the applicant has also claimed state pension credit, the amount of any state pension credit or any additional amount of state pension credit to which the applicant would have been entitled in respect of the reduction week to which sub-paragraph (2) refers but for the application of regulation 21(1) of the State Pension Credit Regulations 2002⁽⁵³⁾ (notional capital);

(c) where the applicant has also claimed housing benefit, the amount of any housing benefit or any additional amount of housing benefit to which the applicant would have been entitled in respect of the whole or part of the reduction week to which sub-paragraph (2) refers but for the application of regulation 47(1) of the Housing Benefit (Persons who have attained the qualifying age for state pension credit) Regulations 2006⁽⁵⁴⁾ (notional capital);

(d) where the applicant has also claimed a jobseeker's allowance, the amount of an income-based jobseeker's allowance to which the applicant would have been entitled in respect of the reduction week to which sub-paragraph (2) refers but for the application of regulation 113 of the Jobseeker's Allowance Regulations 1996⁽⁵⁵⁾ (notional capital); and

(e) where the applicant has also claimed an employment and support allowance, the amount of an income related employment and support allowance to which the applicant would have been entitled in respect of the reduction week to which sub-paragraph (2) refers but for the application of regulation 115 of the Employment and Support Allowance Regulations 2008⁽⁵⁶⁾ (notional capital).

(4) Subject to sub-paragraph (7), for the purposes of sub-paragraph (1)(b) the condition is that the applicant is a pensioner and would have been entitled to a reduction in council tax under an authority's scheme in the relevant week but for paragraph 28(1).

(5) In such a case the amount of the reduction in the amount of capital the applicant is treated as possessing for the purposes of sub-paragraph (1)(b) is equal to the aggregate of—

(a) the amount of the reduction in council tax to which the applicant would have been entitled in the relevant week but for paragraph 28(1);

(b) if the applicant would, but for regulation 21 of the State Pension Credit Regulations 2002, have been entitled to state pension credit in respect of the benefit week, within the meaning

- of regulation 1(2) of those Regulations (interpretation), which includes the last day of the relevant week, the amount to which the applicant would have been entitled;
- (c) if the applicant would, but for regulation 47(1) of the Housing Benefit (Persons who have attained the qualifying age for state pension credit) Regulations 2006, have been entitled to housing benefit or to an additional amount of housing benefit in respect of the benefit week which includes the last day of the relevant week, the amount which is equal to—
 - (i) in a case where no housing benefit is payable, the amount to which the applicant would have been entitled; or
 - (ii) in any other case, the amount equal to the additional amount of housing benefit to which the applicant would have been entitled;
 - (d) if the applicant would, but for regulation 113 of the Jobseeker’s Allowance Regulations 1996, have been entitled to an income-based jobseeker’s allowance in respect of the benefit week, within the meaning of regulation 1(3) of those Regulations (interpretation), which includes the last day of the relevant week, the amount to which the applicant would have been entitled; and
 - (e) if the applicant would, but for regulation 115 of the Employment and Support Allowance Regulations 2008, have been entitled to an income-related employment and support allowance in respect of the benefit week, within the meaning of regulation 2(1) of those Regulations (interpretation), which includes the last day of the relevant week, the amount to which the applicant would have been entitled.
- (6) But if the amount mentioned in paragraph (a), (b), (c), (d) or (e) of sub-paragraph (5) (“the relevant amount”) is in respect of a part-week, the amount that is to be taken into account under that paragraph is to be determined by—
- (a) dividing the relevant amount by the number equal to the number of days in that part-week, and
 - (b) multiplying the result of that calculation by 7.
- (7) The amount determined under sub-paragraph (5) is to be re-determined under that sub-paragraph if the applicant makes a further application for a reduction in council tax and the conditions in sub-paragraph (8) are satisfied, and in such a case—
- (a) paragraphs (a) to (e) of sub-paragraph (5) apply as if for the words “relevant week” there were substituted the words “relevant subsequent week”; and
 - (b) subject to sub-paragraph (9), the amount as re-determined has effect from the first week following the relevant subsequent week in question.
- (8) The conditions are that—
- (a) a further application is made 26 or more weeks after—

and where more than one reduction week is identified by reference to paragraphs (a) and (b) of this definition, the later or latest such reduction week or, as the case may be, the later or latest such part-week is the relevant week;

“relevant subsequent week” (“*wythnos ddilynol berthnasol*”) means the reduction week or part-week which includes the day on which the further application or, if more than one further application has been made, the last such application was made.

- (4) Where a reduction under an authority's scheme is awarded for the period of 4 weeks in accordance with sub-paragraph (3) above, and the last day of that period falls on a day other than the last day of a reduction week, then the reduction under the scheme is to continue to be awarded until the end of the reduction week in which the last day of that period falls.

PART 6

Period of entitlement and change of circumstances

Date on which entitlement begins

39. Any person by whom or in respect of whom an application for a reduction under an authority’s scheme is made and who is otherwise entitled to that reduction is to be so entitled from the date on which the application is treated as made in accordance with paragraph 2 of Schedule 13 (date on which application is made).

Date on which change of circumstances is to take effect

40.—(1) Except in cases where paragraph 22 (disregard of changes in tax, contributions, etc) applies and subject to the following provisions of this paragraph and paragraph 41 (change of circumstances where state pension credit in payment), a change of circumstances which affects entitlement to, or the amount of, a reduction under an authority’s scheme (“change of circumstances”), takes effect from the first day on which the change actually occurs.

(2) Where that change is cessation of entitlement to any benefit under the benefit Acts, the date on which the change actually occurs will be the day immediately following the last day of entitlement to that benefit.

(3) Subject to sub-paragraph (4), where the change of circumstances is a change in the amount of council tax payable, it takes effect from the day on which it actually occurs.

(4) Where the change of circumstances is a change in the amount a person is liable to pay in respect of council tax in consequence of regulations under section 13 of the 1992 Act (reduced amounts of council tax) or changes in the discount to which a dwelling may be subject under section 11 or 12 of that Act, it is to take effect from the day on which the change in amount has effect.

(5) Where the change of circumstances is the applicant’s acquisition of a partner, the change takes effect on the day on which the acquisition takes place.

(6) Where the change of circumstances is the death of an applicant’s partner or their separation, it takes effect on the day the death or separation occurs.

(7) Where the change of circumstances is that income, or an increase in the amount of income, other than a benefit or an increase in the amount of a benefit under the SSCBA, is paid in respect of a past period and there was no entitlement to income of that amount during that period, the change of circumstances is to take effect from the first day on which such income, had it been paid in that period at intervals appropriate to that income, would have fallen to be taken into account for the purposes of an authority’s scheme.

(8) Without prejudice to sub-paragraph (7), where the change of circumstances is the payment of income, or arrears of income, in respect of a past period, the change of circumstances takes effect from the first day on which such income, had it been timeously paid in that period at intervals appropriate to that income, would have fallen to be taken into account for the purposes of an authority’s scheme.

Change of circumstances where the state pension credit payment in payment

41.—(1) Sub-paragraphs (2) to (4) apply where—

- (a) the applicant is in receipt of state pension credit;
- (b) the amount of state pension credit awarded to the applicant is changed in consequence of a change in the applicant's circumstances or the correction of an official error; and
- (c) the change in the amount of state pension credit payable to the applicant results in a change in the amount of a reduction the applicant receives under an authority's scheme.

(2) Where the change of circumstance is that an increase in the amount of state pension credit payable to the applicant results in—

- (a) an increase in the reduction the applicant receives under an authority's scheme, the change takes effect on the day on which the state pension credit becomes payable at the increased rate; or
- (b) a decrease in the reduction the applicant receives under an authority's scheme, the change takes effect on the day on which—
 - (i) state pension credit becomes payable at the increased rate; or
 - (ii) the authority receives notification from the Secretary of State of the increase in the amount of state pension credit,

whichever is the later.

(3) Where the change of circumstance ("the relevant change") is that the applicant's state pension credit has been reduced and in consequence the reduction the applicant receives under an authority's scheme reduces—

- (a) in a case where the applicant's state pension credit has been reduced because the applicant failed to notify the Secretary of State timeously of a change of circumstances, the relevant change takes effect on the day on which state pension credit was reduced; or
- (b) in any other case the relevant change takes effect from the first day on which—
 - (i) the state pension credit is reduced; or
 - (ii) the authority receives notification from the Secretary of State of the reduction in the amount of state pension credit,

whichever is the later.

(4) Where the change of circumstance is that the applicant's state pension credit is reduced and in consequence of the change, the amount of reduction the applicant receives under an authority's scheme is increased, the change takes effect on the day on which state pension credit becomes payable at the reduced rate.

(5) Where a change of circumstance occurs in that an award of state pension credit has been made to the applicant or the applicant's partner and this would result in a decrease in the amount of reduction the applicant receives under an authority's scheme, the change takes effect on the day on which —

- (a) entitlement to state credit pension begins; or
- (b) the authority receives notification from the Secretary of State of the award of state pension credit,

whichever is the later.

(6) Where, in the case of an applicant who, or whose partner, is or has been awarded state pension credit comprising only the savings credit, there is—

- (a) a change of circumstances of a kind described in any of sub-paragraphs (2) to (5) which results from a relevant calculation or estimate; and

(b) a change of circumstances which is a relevant determination, each of which results in a change in the amount of reduction the applicant receives under an authority's scheme, the change of circumstances referred to in paragraph (b) takes effect from the day specified in sub-paragraph (2), (3), (4) or (5) as the case may be, in relation to the change referred to in paragraph (a).

(7) Where a change of circumstance occurs in that a guarantee credit has been awarded to the applicant or the applicant's partner and this would result in an increase in the amount of a reduction the applicant receives under an authority's scheme, the change takes effect on the day on which the guarantee credit is first payable.

(8) Where a change of circumstances would, but for this sub-paragraph, take effect under the preceding provisions of this paragraph within the 4 week period specified in paragraph 37 (continuing reductions where state pension credit claimed), that change takes effect on the first day after the expiry of the 4 week period.

(9) In this paragraph—
