amount of reduction and calculation of income and capital: pensioners

### PART 4

Income and capital for the purposes of calculating eligibility for a  
reduction under an authority's scheme and amount of reduction: pensioners

#### CHAPTER 1

General: pensioners

#### **Calculation of income and capital: applicant's family and polygamous marriages: pensioners**

- 5.—(1) The income and capital of—
- (a) an applicant; and
  - (b) any partner of that applicant,

is to be calculated in accordance with the provisions of this Part.

(2) The income and capital of any partner of the applicant is to be treated as income and capital of the applicant, and in this Part any reference to the applicant applies equally to any partner of that applicant.

(3) Where an applicant or the partner of an applicant is married polygamously to two or more members of the applicant's household—

- (a) the applicant must be treated as possessing capital and income belonging to each such member; and
- (b) the income and capital of that member is to be calculated in accordance with the following provisions of this Part in like manner as for the applicant.

#### **Circumstances in which capital and income of non-dependant is to be treated as applicant's: pensioners**

6.—(1) Sub-paragraph (2) applies where it appears to the authority that a non-dependant and an applicant have entered into arrangements in order to take advantage of an authority's scheme and the non-dependant has more income and capital than the applicant.

(2) Except where—

- (a) the applicant is a pensioner and is on a guarantee credit, or
- (b) the applicant is not a pensioner and is on income support, an income-based jobseeker's allowance or an income-related employment and support allowance,

the authority must treat the applicant as possessing income and capital belonging to that non-dependant and, in such a case, any capital and income which the applicant does possess is to be disregarded.

(3) Where an applicant is treated as possessing capital and income belonging to a non-dependant under sub-paragraph (2) the capital and income of that non-dependant must be calculated in accordance with the following provisions of this Part in like manner as for the applicant and, except where the context otherwise requires, any reference to the "applicant" ("*ceisydd*") is to be construed for the purposes of this Part as if it were a reference to that non-dependant.

## CHAPTER 2

Income: pensioners in receipt of guarantee credit or savings credit: pensioners

**Pensioners in receipt of guarantee credit**

7. In the case of an applicant who is a pensioner and who is in receipt, or whose partner is in receipt, of a guarantee credit, the whole of the applicant's capital and income must be disregarded.

**Calculation of pensioner's income in savings credit only cases**

8.—(1) In determining the income and capital of an applicant who is a pensioner and who has, or whose partner has, an award of state pension credit comprising only the savings credit, subject to the following provisions of this paragraph, an authority must use the calculation or estimate of the applicant's or as the case may be, the applicant's partner's income and capital made by the Secretary of State for the purpose of determining the award of state pension credit.

(2) Where the calculation or estimate provided by the Secretary of State includes an amount taken into account in that determination in respect of net income, the authority may only adjust that amount so far as necessary to take into account—

- (a) the amount of any savings credit payable;
- (b) in respect of any dependent children of the applicant, child care charges taken into account under paragraph 18 (calculation of income on a weekly basis);
- (c) the higher amount disregarded under an authority's scheme in respect of—

    - (aa) the applicant's former partner, or the applicant's partner's former partner; or
    - (bb) the parent of a child or young person where that child or young person is a member of the applicant's family except where that parent is the applicant or the applicant's partner;
- (d) any amount to be disregarded by virtue of paragraph 10(1) of Schedule 3 (sums disregarded from applicant's earnings);
- (e) the income and capital of any partner of the applicant who is treated as a member of the applicant's household under regulation 8, to the extent that it is not taken into account in determining the net income of the person claiming state pension credit;
- (f) paragraph 6 (circumstances in which capital and income of a non-dependant is to be treated as applicant's), if the authority determines that that provision applies in the applicant's case;
- (g) such further reduction (if any) as the authority thinks fit under section 13A(1)(c) of the 1992 Act<sup>(1)</sup>;
- (h) any amount to be disregarded by virtue of paragraph 6 of Schedule 3 (sums to be disregarded from applicant's income: pensioners).

(3) Paragraphs 10 to 30 of this Schedule do not apply to the amount of the net income to be taken into account under sub-paragraph (1), but do apply (so far as relevant) for the purpose of determining any adjustments to that amount which the authority makes under sub-paragraph (2).

(4) If sub-paragraph (5) applies, the authority must calculate the applicant's capital in accordance with paragraphs 25 to 30 (calculation of capital: pensioners).

<sup>(1)</sup> Section 13A was substituted by section 10 of the Local Government Finance Act 2012 (c.17).

- (5) This sub-paragraph applies if—
- (a) the Secretary of State notifies the authority that the applicant’s capital has been determined as being £16,000 or less or the authority determines the applicant’s capital as being £16,000 or less;
  - (b) subsequent to that determination the applicant’s capital rises to more than £16,000; and
  - (c) the increase occurs whilst there is in force an assessed income period within the meaning of sections 6 and 9 of the State Pension Credit Act 2002<sup>(2)</sup>.

(4) For the purposes of this paragraph, a reference to a person who is or was in receipt of long-term incapacity benefit includes a person who is or was in receipt of short-term incapacity benefit at a rate equal to the long-term rate by virtue of section 30B(4)(a) of the SSCBA (short-term incapacity benefit for a person who is terminally ill), or who would be or would have been in receipt of short-term incapacity benefit at such a rate but for the fact that the rate of short-term incapacity benefit already payable to the person is or was equal to or greater than the long term rate.

(5) In the case of an applicant who is a welfare to work beneficiary (a person to whom regulation 13A(1) of the Social Security (Incapacity for Work) (General) Regulations 1995 applies<sup>(46)</sup>, and who again becomes incapable of work for the purposes of Part 12A of the SSCBA) the reference to a period of 56 days in sub-paragraph (3) must be treated as a reference to a period of 104 weeks.

### **Calculations of average weekly income from tax credits**

**21.**—(1) This paragraph applies where an applicant receives a tax credit.

(2) Where this paragraph applies, the period over which a tax credit is to be taken into account must be the period set out in sub-paragraph (3).

(3) Where the instalment in respect of which payment of a tax credit is made is—

<sup>(45)</sup> Sub-paragraph (3) was amended by section 17 of the Health and Social Care Act 2012 (c.7).

<sup>(46)</sup> S.I. 1995/311: regulation 13A was inserted by S.I. 1998/2231 and amended by S.I. 1999/3109, S.I. 2006/707 and S.I. 2006/2378.

- (a) a daily instalment, the period is 1 day, being the day in respect of which the instalment is paid;
- (b) a weekly instalment, the period is 7 days, ending on the day on which the instalment is due to be paid;
- (c) a two weekly instalment, the period is 14 days, commencing 6 days before the day on which the instalment is due to be paid;
- (d) a four weekly instalment, the period is 28 days, ending on the day on which the instalment is due to be paid.

(4) For the purposes of this paragraph “tax credit” (“*credyd treth*”) means child tax credit or working tax credit.

### **Disregard of changes in tax, contributions etc**

**22.** In calculating the applicant’s income an authority may disregard any legislative change—

- (a) in the basic or other rates of income tax;
- (b) in the amount of any personal tax relief;
- (c) in the rates of social security contributions payable under the SSCBA or in the lower earnings limit or upper earnings limit for Class 1 contributions under that Act, the lower or upper limits applicable to Class 4 contributions under that Act or the amount specified in section 11(4) of that Act (small earnings exception in relation to Class 2 contributions);
- (d) in the amount of tax payable as a result of an increase in the weekly rate of Category A, B, C or D retirement pension or any addition thereto or any graduated pension payable under the SSCBA;
- (e) in the maximum rate of child tax credit or working tax credit,

for a period not exceeding 30 reduction weeks beginning with the reduction week immediately following the date from which the change is effective.

### **Calculation of net profit of self-employed earners**

**23.—**(1) For the purposes of paragraph 18 (calculation of income on a weekly basis) the earnings of an applicant to be taken into account are—

- (a) in the case of a self-employed earner who is engaged in employment on that person’s own account, the net profit derived from that employment;
- (b) in the case of a self-employed earner who is a pensioner whose employment is carried on in partnership, that person’s share of the net profit derived from that employment, less—
  - (i) an amount in respect of income tax and of social security contributions payable under the SSCBA calculated in accordance with paragraph 24 (calculation of deduction of tax and contributions of self-employed earners); and
  - (ii) one-half of the amount calculated in accordance with sub-paragraph (11) in respect of any qualifying premium.

(2) For the purposes of sub-paragraph (1)(a) the net profit of the employment must, except where sub-paragraph (8) applies, be calculated by taking into account the earnings of the employment over the assessment period less—

- (a) subject to sub-paragraphs (4) to (7), any expenses wholly and exclusively incurred in that period for the purposes of that employment;
- (b) an amount in respect of—
  - (i) income tax; and

*Status: This is the original version (as it was originally made).*

- (ii) social security contributions payable under the SSCBA, calculated in accordance with paragraph 24 (calculation of deduction of tax and contributions of self-employed earners); and
  - (c) one-half of the amount calculated in accordance with sub-paragraph (10) in respect of any qualifying premium.
- (3) For the purposes of sub-paragraph (1)(b) the net profit of the employment is to be calculated by taking into account the earnings of the employment over the assessment period less, subject to sub-paragraphs (4) to (7), any expenses wholly and exclusively incurred in that period for the purposes of the employment.
- (4) Subject to sub-paragraph (5), no deduction is to be made under paragraph (2)(a) or (3), in respect of—
  - (a) any capital expenditure;
  - (b) the depreciation of any capital asset;
  - (c) any sum employed or intended to be employed in the setting up or expansion of the employment;
  - (d) any loss incurred before the beginning of the assessment period;
  - (e) the repayment of capital on any loan taken out for the purposes of the employment; and
  - (f) any expenses incurred in providing business entertainment.
- (5) A deduction is to be made under sub-paragraph (2)(a) or (3) in respect of the repayment of capital on any loan used for—
  - (a) the replacement in the course of business of equipment or machinery; or
  - (b) the repair of an existing business asset except to the extent that any sum is payable under an insurance policy for its repair.
- (6) The authority must refuse to make a deduction in respect of any expenses under sub-paragraph (2)(a) or (3) where it is not satisfied given the nature and the amount of the expense that it has been reasonably incurred.
- (7) For the avoidance of doubt—
  - (a) a deduction must not be made under sub-paragraph (2)(a) or (3) in respect of any sum unless it has been expended for the purposes of the business;
  - (b) a deduction must be made thereunder in respect of—
    - (i) the excess of any value added tax paid over value added tax received in the assessment period;
    - (ii) any income expended in the repair of an existing business asset except to the extent that any sum is payable under an insurance policy for its repair;
    - (iii) any payment of interest on a loan taken out for the purposes of the employment.
- (8) Where an applicant is engaged in employment as a child minder the net profit of the employment is to be one-third of the earnings of that employment, less—
  - (a) an amount in respect of—
    - (i) income tax; and
    - (ii) social security contributions payable under the SSCBA, calculated in accordance with paragraph 24 (calculation of deduction of tax and contributions for self-employed earners); and
  - (b) one-half of the amount calculated in accordance with sub-paragraph (10) in respect of any qualifying premium.

(9) For the avoidance of doubt where an applicant is engaged in employment as a self-employed earner and the applicant is also engaged in one or more other employments as a self-employed or employed earner any loss incurred in any one of the applicant's employments must not be offset against the applicant's earnings in any other of the applicant's employments.

(10) The amount in respect of any qualifying premium is to be calculated by multiplying the daily amount of the qualifying premium by the number equal to the number of days in the assessment period; and for the purposes of this paragraph the daily amount of the qualifying premium must be determined—

- (a) where the qualifying premium is payable monthly, by multiplying the amount of the qualifying premium by 12 and dividing the product by 365;
- (b) in any other case, by dividing the amount of the qualifying premium by the number equal to the number of days in the period to which the qualifying premium relates.

(11) In this paragraph, “qualifying premium” (“*premiwm cymwys*”) means any premium which is payable periodically in respect of a personal pension scheme and is so payable on or after the date of application.

#### **Calculation of deduction of tax and contributions of self-employed earners**

**24.**—(1) The amount to be deducted in respect of income tax under paragraph 23(1)(b)(i), (2)(b)(i) or (8)(a)(i) (calculation of net profit of self-employed earners) must be calculated—

- (a) on the basis of the amount of chargeable income, and
- (b) as if that income were assessable to income tax at the basic rate of tax applicable to the assessment period less only the personal relief to which the applicant is entitled under section 35, 36 or 37 of the Income Tax Act 2007<sup>(47)</sup> as is appropriate to the applicant's circumstances.

(2) But, if the assessment period is less than a year, the earnings to which the basic rate of tax is to be applied and the amount of the personal reliefs deductible under this paragraph must be calculated on a pro rata basis.

(3) The amount to be deducted in respect of social security contributions under paragraph 23(1)(b)(i), (2)(b)(ii) or (8)(a)(ii) is the total of—

- (a) the amount of Class 2 contributions payable under section 11(1) or, as the case may be, 11(3) of the SSCBA at the rate applicable to the assessment period except where the applicant's chargeable income is less than the amount specified in section 11(4) of that Act (small earnings exception) for the tax year applicable to the assessment period; but if the assessment period is less than a year, the amount specified for that tax year must be reduced pro rata; and
- (b) the amount of Class 4 contributions (if any) which would be payable under section 15 of the SSCBA (Class 4 contributions recoverable under the Income Tax Acts) at the percentage rate applicable to the assessment period on so much of the chargeable income as exceeds the lower limit but does not exceed the upper limit of profits and gains applicable for the tax year applicable to the assessment period; but if the assessment period is less than a year, those limits must be reduced pro rata.

(4) In this paragraph “chargeable income” (“*incwm trethadwy*”) means—

- (a) except where paragraph (b) applies, the earnings derived from the employment less any expenses deducted under paragraph 23(3)(a) or, as the case may be, paragraph 23(4);

## CHAPTER 4

### Capital

#### Calculation of Capital

**25.**—(1) The capital of an applicant<sup>(48)</sup> to be taken into account must be, subject to sub-paragraph (2), the whole of the applicant's capital calculated in accordance with this Part.

(2) There must be disregarded from the calculation of an applicant's capital under sub-paragraph (1), any capital, where applicable, specified in Schedule 5 (capital disregards), in relation to pensioners.

(3) In the case of an applicant who is a pensioner, the applicant's capital is to be treated as including any payment made to the applicant by way of arrears of—

- (a) child tax credit;
- (b) working tax credit;
- (c) state pension credit,

if the payment was made in respect of a period for the whole or part of which a reduction under an authority's scheme was allowed before those arrears were paid.

#### Calculation of capital in the United Kingdom

**26.** Capital which an applicant possesses in the United Kingdom is to be calculated at its current market or surrender value less—

- (a) where there would be expenses attributable to the sale, 10 per cent; and
- (b) the amount of any encumbrance secured on it.

#### Calculation of capital outside the United Kingdom

**27.** Capital which an applicant possesses in a country outside the United Kingdom is to be calculated—

- (a) in a case where there is no prohibition in that country against the transfer to the United Kingdom of an amount equal to its current market or surrender value in that country, at that value;
- (b) in a case where there is such a prohibition, at the price which it would realise if sold in the United Kingdom to a willing buyer,

less, where there would be expenses attributable to sale, 10 per cent and the amount of any encumbrances secured on it.

#### Notional capital

**28.**—(1) An applicant is to be treated as possessing capital of which the applicant has deprived himself or herself for the purpose of securing entitlement to a reduction or increasing the amount of that reduction except to the extent that that capital is reduced in accordance with paragraph 29 (diminishing notional capital rule).

---

(48) The capital limit is £16,000, see paragraph 31.

- (2) An applicant who is a pensioner who disposes of capital for the purpose of—
- (a) reducing or paying a debt owed by the applicant; or
  - (b) purchasing goods or services if the expenditure was reasonable in the circumstances of the applicant's case,

is to be regarded as not depriving himself or herself of it.

(3) Where an applicant stands in relation to a company in a position analogous to that of a sole owner or partner in the business of that company, the applicant may be treated as if the applicant were such sole owner or partner and in such a case —

- (a) the value of the applicant's holding in that company must, notwithstanding paragraph 25 (calculation of capital) be disregarded; and
- (b) the applicant must, subject to sub-paragraph (4), be treated as possessing an amount of capital equal to the value or, as the case may be, the applicant's share of the value of the capital of that company and the foregoing provisions of this Chapter apply for the purposes of calculating that amount as if it were actual capital which the applicant does possess.

(4) For so long as the applicant undertakes activities in the course of the business of the company, the amount which the applicant is treated as possessing under sub-paragraph (3) is to be disregarded.

(5) Where an applicant is treated as possessing capital under sub-paragraph (1), the foregoing provisions of this Chapter apply for the purposes of calculating its amount as if it were actual capital which the applicant does possess.

#### **Diminishing notional capital rule: pensioners**

**29.**—(1) Where an applicant who is a pensioner is treated as possessing capital under paragraph 28(1) (notional capital), the amount which the applicant is treated as possessing—

- (a) in the case of a week that is subsequent to—
  - (i) the relevant week in respect of which the conditions set out in sub-paragraph (2) are satisfied; or
  - (ii) a week which follows that relevant week and which satisfies those conditions,

is to be reduced by an amount determined under sub-paragraph (3);

- (b) in the case of a week in respect of which sub-paragraph (1)(a) does not apply but where—
  - (i) that week is a week subsequent to the relevant week; and
  - (ii) that relevant week is a week in which the condition in sub-paragraph (4) is satisfied,

is to be reduced by the amount determined under sub-paragraph (5).

(2) This sub-paragraph applies to a reduction week where the applicant satisfies the conditions that—

- (a) the applicant is in receipt of a reduction in council tax under an authority's scheme; and
- (b) but for paragraph 28(1), the applicant would have received a greater reduction in council tax under an authority's scheme in that week.

(3) In a case to which sub-paragraph (2) applies, the amount of the reduction in the amount of capital the applicant is treated as possessing for the purposes of sub-paragraph (1)(a) must be equal to the aggregate of—

- (a) an amount equal to the additional amount of the reduction in council tax to which sub-paragraph (2)(b) refers;
- (b) where the applicant has also claimed state pension credit, the amount of any state pension credit or any additional amount of state pension credit to which the applicant would have been entitled in respect of the reduction week to which sub-paragraph (2) refers but for the

*Status: This is the original version (as it was originally made).*

application of regulation 21(1) of the State Pension Credit Regulations 2002<sup>(49)</sup> (notional capital);

- (c) where the applicant has also claimed housing benefit, the amount of any housing benefit or any additional amount of housing benefit to which the applicant would have been entitled in respect of the whole or part of the reduction week to which sub-paragraph (2) refers but for the application of regulation 47(1) of the Housing Benefit (Persons who have attained the qualifying age for state pension credit) Regulations 2006<sup>(50)</sup> (notional capital);
- (d) where the applicant has also claimed a jobseeker's allowance, the amount of an income-based jobseeker's allowance to which the applicant would have been entitled in respect of the reduction week to which sub-paragraph (2) refers but for the application of regulation 113 of the Jobseeker's Allowance Regulations 1996<sup>(51)</sup> (notional capital); and
- (e) where the applicant has also claimed an employment and support allowance, the amount of an income related employment and support allowance to which the applicant would have been entitled in respect of the reduction week to which sub-paragraph (2) refers but for the application of regulation 115 of the Employment and Support Allowance Regulations 2008<sup>(52)</sup> (notional capital).

(4) Subject to sub-paragraph (7), for the purposes of sub-paragraph (1)(b) the condition is that the applicant is a pensioner and would have been entitled to a reduction in council tax under an authority's scheme in the relevant week but for paragraph 28(1).

(5) In such a case the amount of the reduction in the amount of capital the applicant is treated as possessing for the purposes of sub-paragraph (1)(b) is equal to the aggregate of—

- (a) the amount of the reduction in council tax to which the applicant would have been entitled in the relevant week but for paragraph 28(1);
- (b) if the applicant would, but for regulation 21 of the State Pension Credit Regulations 2002, have been entitled to state pension credit in respect of the benefit week, within the meaning of regulation 1(2) of those Regulations (interpretation), which includes the last day of the relevant week, the amount to which the applicant would have been entitled;
- (c) if the applicant would, but for regulation 47(1) of the Housing Benefit (Persons who have attained the qualifying age for state pension credit) Regulations 2006, have been entitled to housing benefit or to an additional amount of housing benefit in respect of the benefit week which includes the last day of the relevant week, the amount which is equal to—
  - (i) in a case where no housing benefit is payable, the amount to which the applicant would have been entitled; or
  - (ii) in any other case, the amount equal to the additional amount of housing benefit to which the applicant would have been entitled;
- (d) if the applicant would, but for regulation 113 of the Jobseeker's Allowance Regulations 1996, have been entitled to an income-based jobseeker's allowance in respect of the benefit week, within the meaning of regulation 1(3) of those Regulations (interpretation), which includes the last day of the relevant week, the amount to which the applicant would have been entitled; and
- (e) if the applicant would, but for regulation 115 of the Employment and Support Allowance Regulations 2008, have been entitled to an income-related employment and support allowance in respect of the benefit week, within the meaning of regulation 2(1) of those Regulations (interpretation), which includes the last day of the relevant week, the amount to which the applicant would have been entitled.

<sup>(50)</sup> S.I. 2006/214.

<sup>(51)</sup> S.I. 1996/207.

<sup>(52)</sup> S.I. 2008/794.

(6) But if the amount mentioned in paragraph (a), (b), (c), (d) or (e) of sub-paragraph (5) (“the relevant amount”) is in respect of a part-week, the amount that is to be taken into account under that paragraph is to be determined by—

- (a) dividing the relevant amount by the number equal to the number of days in that part-week, and
- (b) multiplying the result of that calculation by 7.

(7) The amount determined under sub-paragraph (5) is to be re-determined under that sub-paragraph if the applicant makes a further application for a reduction in council tax and the conditions in sub-paragraph (8) are satisfied, and in such a case—

- (a) paragraphs (a) to (e) of sub-paragraph (5) apply as if for the words “relevant week” there were substituted the words “relevant subsequent week”; and
- (b) subject to sub-paragraph (9), the amount as re-determined has effect from the first week following the relevant subsequent week in question.

(8) The conditions are that—

- (a) a further application is made 26 or more weeks after—
  - (i) the date on which the applicant made an application for a reduction in council tax in respect of which the applicant was first treated as possessing the capital in question under paragraph 28(1);
  - (ii) in a case where there has been at least one re-determination in accordance with sub-paragraph (7), the date on which the applicant last made an application for a reduction in council tax which resulted in the weekly amount being re-determined, or
  - (iii) the date on which the applicant last ceased to be entitled to a reduction in council tax under the authority’s scheme,

whichever last occurred; and

- (b) the applicant would have been entitled to a reduction in council tax under an authority’s scheme but for paragraph 28(1).

(9) The amount as re-determined pursuant to sub-paragraph (7) must not have effect if it is less than the amount which applied in that case immediately before the re-determination and in such a case the higher amount must continue to have effect.

(10) For the purposes of this paragraph—

“part-week” (“*rhan-wythnos*”)—

- (a) in relation to an amount mentioned in sub-paragraph (5)(a), means a period of less than a week for which a reduction in council tax under an authority’s scheme is allowed;
- (b) in relation to an amount mentioned in sub-paragraph (5)(b), means a period of less than a week for which housing benefit is payable;
- (c) in relation to an amount mentioned in sub-paragraph (5)(c), (d) or (e), means—
  - (i) a period of less than a week which is the whole period for which income support, an income-related employment and support allowance or, as the case may be, an income-based jobseeker’s allowance is payable; and
  - (ii) any other period of less than a week for which it is payable;

“relevant week” (“*wythnos berthnasol*”) means the reduction week or part-week in which the capital in question of which the applicant has deprived himself or herself within the meaning of paragraph 28(1)—

- (a) was first taken into account for the purpose of determining the applicant’s entitlement to a reduction under an authority’s scheme; or

*Status: This is the original version (as it was originally made).*

- (b) was taken into account on a subsequent occasion for the purpose of determining or re-determining the applicant's entitlement to a reduction on that subsequent occasion and that determination or redetermination resulted in the applicant beginning to receive, or ceasing to receive, a reduction under an authority's scheme;

and where more than one reduction week is identified by reference to paragraphs (a) and (b) of this definition, the later or latest such reduction week or, as the case may be, the later or latest such part-week is the relevant week;

"relevant subsequent week" (*"wythnos ddilynol berthnasol"*) means the reduction week or part-week which includes the day on which the further application or, if more than one further application has been made, the last such application was made.

### **Capital jointly held: pensioners**

**30.** Except where an applicant possesses capital which is disregarded under paragraph 28(3) (notional capital), where an applicant and one or more persons are beneficially entitled in possession to any capital asset they must be treated, in the absence of evidence to the contrary, as if each of them were entitled in possession to the whole beneficial interest therein in an equal share and the foregoing provisions of this Chapter apply for the purposes of calculating the amount of capital which the applicant is treated as possessing as if it were actual capital which the applicant does possess.

### **Calculation of tariff income from capital: pensioners**

**31.** The capital of an applicant who is a pensioner, calculated in accordance with this Schedule, is to be treated as if it were a weekly income of—

- (a) £1 for each £500 in excess of £10,000 but not exceeding £16,000; and
- (b) £1 for any excess which is not a complete £500.
