The Care and Support (Population Assessments) (Wales) Regulations 2015

Citizen engagement

3.—(1) In carrying out a population assessment, the responsible bodies must take reasonable steps to engage with—

- (a) people in the local authority's area who have or may have needs for care and support⁽¹⁾,
- (b) people in the local authority's area with parental responsibility for children who have or may have needs for care and support, and
- (c) carers in the local authority's area who have or may have needs for support.

(2) The responsible bodies must establish a procedure for the engagement required by paragraph (1).

⁽¹⁾ See section 4 of the Act for the meaning of “care and support”
