(2) Anything done under the 1992 Regulations in relation to that application or appeal before the commencement date is taken to be done under these Regulations.

Interpretation of existing consents

- (a) the presence of a category of substance listed in column 1 of Part B of Schedule 1 to the 1992 Regulations; or
- (b) the presence of a substance named in column 1 of Part A of Schedule 1 to the 1992 Regulations.

 - (i) details of the location of the land to which the notice relates and the person in control of the land;
 - (ii) details of the hazardous substances held at the site, including the quantities; and
 - (iii) an explanation of why paragraph 12 of Schedule 2 to these Regulations applies.
- (2) The hazardous substances authority must, as soon as practicable after receiving the notice, send the COMAH competent authority a copy of the notice.
- (3) The COMAH competent authority must, within 8 weeks of receiving notification from the hazardous substances authority under paragraph (2), determine whether the notice concerns an establishment within the meaning of the Directive and, if so, notify the local planning authority for the area in which the establishment is located.
