

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

SCHEDULE 2

Matters to be dealt with in the pathway plan and review where the young person is detained

3. The arrangements made by the staff of the prison or youth detention accommodation for the young person's education and training, including the name and address of any educational or training institution the young person was attending, or any other person providing the young person with education or training, immediately before their detention.
