- (b) a brief description of the nature and purpose of the development and of its possible effects on the environment;
- (c) a statement that the request is made in relation to a development of national significance for the purposes of section 62D of the 1990 Act; and

(3) A person making a request pursuant to paragraph (1) must send to the relevant planning authority a copy of that request and the documents which accompany that request.

(4) Paragraphs (3) to (7) of regulation 6 apply as if the references to making a request under regulation 5(7) were references to making a request under regulation 28(1).

Applications made without an environmental statement

29.—(1) Where an application is made and it appears to the Welsh Ministers that—

- (a) it is an EIA application; and
- (b) it is not accompanied by a statement referred to by the applicant as an environmental statement for the purposes of these Regulations,

the Welsh Ministers must notify the applicant that the submission of an environmental statement is required and send a copy of that notification to the relevant planning authority.

(2) The Welsh Ministers must notify the applicant in accordance with paragraph (1) within 28 days, beginning with the date on which the Welsh Ministers are in receipt of an application, or such longer period as the Welsh Ministers may determine.

(3) An applicant who receives a notification under paragraph (1) may, within 21 days beginning with the date of the notification, confirm to the Welsh Ministers that an environmental statement will be provided.

(4) Where the Welsh Ministers are aware that any particular person is or is likely to be affected by, or has an interest in, the application, who is unlikely to become aware of it by means of electronic publication, a site notice or by local advertisement, the Welsh Ministers must notify the applicant of any such person.

(5) If the applicant does not confirm in accordance with paragraph (4), the Welsh Ministers are under no duty to deal with the application and, at the end of the 21 day period, they must inform the applicant that no further action is being taken on the application.

(6) Where—

- (a) a notification has been given under paragraph (1); and
- (b) the applicant does not submit an environmental statement and comply with regulation 17 (publicity where an environmental statement is submitted after the planning application),

- (d) such other information or representations as the person making the request may wish to provide or make.

(3) A person making a request pursuant to paragraph (1) must send to the relevant planning authority a copy of that request and the documents which accompany that request.

(4) If the Welsh Ministers consider that the information provided pursuant to paragraph (1) is insufficient to make a scoping direction, the Welsh Ministers must give notice to the person making the request.

(5) The notice must set out any points on which additional information is required.

(6) The Welsh Ministers may also request the relevant planning authority to provide such information as they can on any of those points.

(7) The Welsh Ministers must—

- (a) consult the person making the request and the consultees before making a scoping direction in response to a request under paragraph (1), and
- (b) make a direction and send a copy to the person who made the request and to the relevant planning authority, within 5 weeks beginning with the date of receipt of that request or such longer period as may be reasonably required.

(8) Before making a scoping direction the Welsh Ministers must take into account the matters specified in regulation 13(6).

(9) Nothing prevents the Welsh Ministers, (after they have made a scoping direction) or the relevant planning authority from requiring the person who made the request to provide additional information.
