**The Private Dentistry (Wales) Regulations 2017**

**PART 1**

**General**

**Patient information**

6.—(1) The registered person must compile a document (“the patient information leaflet”), which must include the information specified in Schedule 2.

(2) The registered person must provide a copy of the patient information leaflet to the appropriate office of the registration authority, post it on the website of the private dental practice (if there is a website) and make a copy of it available as soon as practicable on request by a patient.

(3) The registered person must ensure that there is displayed in a prominent position in the private dental practice, in a part to which patients have access, indicative information on charges payable by patients.
