

### SCHEDULE 3

#### Information for inclusion in an environmental statement

1. Description of the project, including in particular—
  - (a) a description of the location of the project;
  - (b) a description of the physical characteristics of the whole project, including where relevant, requisite demolition works, and the land-use requirements during the construction and operational phases;
  - (c) a description of the main characteristics of the operational phase of the project (in particular any production process), for instance, energy demand and energy used, nature and quantity of the materials and natural resources (including water, land and biodiversity) used;
  - (d) an estimate, by type and quantity, of expected residues and emissions (such as water, air, soil and subsoil pollution, noise, vibration, light, heat, radiation) and quantities and types of waste produced during the construction and operation phases.

---

**Commencement Information**

- II** Sch. 3 para. 1 in force at 16.5.2017, see [reg. 1\(3\)](#)

**Changes to legislation:**

There are currently no known outstanding effects for the The Environmental Impact Assessment (Agriculture) (Wales) Regulations 2017, Paragraph 1.
