

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

"SCHEDULE 2

Permitted movements without pre-movement testing

Movement within or from the low TB area

8. The movement of a bovine animal within or from the low TB area, unless the bovine animal is in a—

- (a) restricted herd;
- (b) licensed finishing unit;
- (c) herd that has had tuberculosis-free status for less than 18 months; or
- (d) herd on premises that borders other premises where the herd is a restricted herd.
