SECTION 4

Full-time students – restrictions on support for honours graduates

24.—(1) If an eligible student undertaking a full-time course has attained an honours degree from an institution in the United Kingdom (an “honours graduate”) the student does not qualify for a tuition fee loan, base grant, maintenance grant or maintenance loan under these Regulations unless the student—

- (a) falls within one of the Cases set out in paragraph (2), and
 - (b) in each Case, satisfies the particular qualifying conditions relating to the support in question.
- (2) The Cases are—

Case 1

An honours graduate may qualify for support under these Regulations if the present course is—

- (a) a course for the initial training of teachers of no more than two years duration, and the graduate is not a qualified teacher, or
- (b) an accelerated graduate entry course.

Case 2

An honours graduate may qualify for a maintenance loan if any of the following applies—

- (a) the present course leads to a qualification as a social worker, medical doctor, dentist, veterinary surgeon or architect;
- (b) the graduate is to receive any payment under—
 - (i) a healthcare bursary, the amount of which is calculated by reference to the graduate's income, or
 - (ii) a Scottish healthcare allowance, the amount of which is calculated by reference to the graduate's income in respect of any academic year of the present course;
- (c) the present course is a course for the initial training of teachers.

Case 3

Despite paragraph (1), if—

- (a) the present course is considered to be a single course by virtue of regulation 6(3) and (4), and
- (b) the course leads to an honours degree from an institution in the United Kingdom being conferred on the eligible student before the final degree or equivalent qualification,

the conferring of that honours degree does not prevent the student from qualifying for support under these Regulations in respect of any part of that single course.

Case 4

Regulation 26 applies.

Part-time students – restrictions on support for graduates

25.—(1) If an eligible student undertaking a part-time course has attained a first degree from an institution in the United Kingdom (a “graduate”) the student does not qualify for support under these

Regulations other than a disabled student's grant unless the student falls within one of the Cases set out in paragraph (2).

(2) The Cases are—

Case 1

The first degree—

- (a) was not an honours degree, and
- (b) was awarded to the graduate on completion of the modules, examinations or other forms of assessment required for that first degree,

and the graduate is undertaking the present course so as to obtain an honours degree on completion of the required modules, examinations or other forms of assessment (whether or not the graduate continues the course at the same institution from which the first degree was awarded).

Case 2

The present course is a course for the initial training of teachers of no more than four years duration and the graduate is not a qualified teacher.

Case 3

The present course leads to an honours degree and is either—

- (a) a course concerned with the study of the history, grammar and use of Welsh, or
- (b) a course listed in the Joint Academic Coding System in one of the following subject areas—
 - (i) engineering;
 - (ii) technology;
 - (iii) computer science;
 - (iv) subjects allied to medicine;
 - (v) biological sciences;
 - (vi) veterinary sciences, agriculture and related subjects;
 - (vii) physical sciences;
 - (viii) mathematical sciences.

Case 4

Regulation 26 applies.

(3) In Case 3 “the Joint Academic Coding System” means version 3 of the Joint Academic Coding System maintained by the Universities and Colleges Admissions Service and the Higher Education Statistics Agency^{M17}.

Restrictions lifted where incorrect notification received

26.—(1) This regulation applies where—

- (a) an honours graduate within the meaning of regulation 24 or a graduate within the meaning of regulation 25 (“G”) has provided all the information required by the Welsh Ministers in relation to an honours degree or, as the case may be, a first degree, previously attained, and

Status: Point in time view as at 01/08/2018.

Changes to legislation: There are currently no known outstanding effects for the The Education (Student Support) (Wales) Regulations 2018, PART 4. (See end of Document for details)

- (b) G receives notification from the Welsh Ministers incorrectly stating that G qualifies for support under these Regulations.
- (2) Where this regulation applies, G may qualify for the support specified in the notification for such period as the Welsh Ministers think appropriate.
- (3) But this regulation does not apply if the notification is incorrect because the information provided by G was materially inaccurate.

Further restriction on support for part-time students

27.—(1) An eligible student undertaking a part-time course does not qualify for support under these Regulations other than a disabled student's grant if the student—

- (a) has undertaken one or more part-time courses for an aggregate of at least—
 - (i) 8 academic years (where that course or the earliest of those courses began before 1 September 2014), or
 - (ii) 16 academic years (where that course or the earliest of those courses began on or after 1 September 2014), and
 - (b) has received relevant support in respect of at least 8 or, as the case may be, 16 of those academic years of the part-time course or courses.
- (2) In paragraph (1)(b), “relevant support” means—
- (a) a loan, a grant in respect of fees or a grant for books, travel and other expenditure made in respect of an academic year—
 - (i) under these Regulations or any other regulations made under section 22 of the 1998 Act, or
 - (ii) under regulations made under Articles 3 and 8(4) of the Education (Student Support) (Northern Ireland) Order 1998 ^{M18},
 - (b) a loan made in respect of an academic year under regulations made under sections 73(f), 73B and 74(1) of the Education (Scotland) Act 1980 ^{M19}.

SECTION 5

Transfers and conversions

Transfer of status

28.—(1) Where an eligible student transfers from a designated course (in this Section, the “old course”) to another designated course (in this Section, the “new course”), the Welsh Ministers must transfer the student's status as an eligible student to the new course if—

- (a) they receive a request from the student to do so,
- (b) they are satisfied that one of the grounds of transfer applies (see paragraph (2)), and

(c) the student's period of eligibility has not ended or been terminated.

(2) The grounds of transfer are—

First ground

The eligible student ceases the old course and undertakes the new course at the same institution.

Including—

- (a) where the old course is not a compressed degree course, undertaking the same course as a compressed degree course, or
- (b) where the old course is a compressed degree course, undertaking the same course on a non-compressed basis.

Second ground

The eligible student undertakes the new course at another institution.

Third ground

After commencing a course for the Certificate in Education, the eligible student is, on or before the completion of that course, admitted to a designated course for the degree (including an honours degree) of Bachelor of Education.

Fourth ground

After commencing a course for the degree (other than an honours degree) of Bachelor of Education, the eligible student is, on or before completion of that course, admitted to a designated course for the honours degree of Bachelor of Education.

Fifth ground

After commencing a course for a first degree (other than an honours degree) the eligible student is, before the completion of that course, admitted to a designated course for an honours degree in the same subject at the same institution.

Effect of transfer – tuition fee loans

29. Where the Welsh Ministers transfer an eligible student's status under regulation 28 during an academic year, the amount of tuition fee loan payable in respect of that academic year is to be determined by the Welsh Ministers as follows—

Step 1

Calculate, in accordance with Part 6, the amounts of tuition fee loan that would have been payable in respect of—

- (a) the old course, and
- (b) the new course,

for the whole academic year.

Step 2

Reduce those amounts by such proportion as the Welsh Ministers think appropriate having regard to—

- (a) the day on which the transfer occurs, and
- (b) the need to ensure that no amount is payable in respect of both courses for the same period.

Effect of transfer – grants and maintenance loans

30.—(1) This regulation applies where the Welsh Ministers transfer an eligible student's status under regulation 28 during an academic year.

(2) If regulation 31 applies to the transfer, the total amount of any grants and maintenance loan payable to the eligible student for the academic year must be reassessed in accordance with that regulation.

(3) If regulation 31 does not apply to the transfer—

- (a) the Welsh Ministers may re-assess the amount of any grants and maintenance loan payable to the eligible student for the academic year, but
- (b) if no re-assessment is made, the total amount of any grants and maintenance loan payable to the eligible student is the amount which the Welsh Ministers assessed as the amount payable to the student for the academic year in respect of the old course.

(4) Paragraph (5) applies where the transfer occurs after the Welsh Ministers have assessed the amount of any grants or maintenance loan payable to the eligible student for the academic year in respect of the old course but before the student completes that year.

(5) Where this paragraph applies, the eligible student may not apply in respect of the academic year of the new course for another grant or loan of a kind for which the student has already applied in respect of the academic year of the old course (unless specifically permitted to do so by these Regulations).

(6) Where, immediately before the transfer, the eligible student—

- (a) was eligible to apply for a maintenance loan for the academic year of the old course, and
- (b) had not applied for the maximum amount for which the student was entitled,

paragraph (5) does not prevent the student from applying for an additional amount of loan (whether or not a reassessment is made under this regulation or regulation 31).

(7) Where an eligible student has applied for a disabled student's grant for the academic year in which the transfer occurs, paragraph (5) does not prevent the student from making a further such application—

- (a) for a purpose for which the student has not already applied, or
- (b) for an additional amount in respect of a purpose for which the student has already applied.

Transfers involving conversions between part-time and full-time study

31.—(1) This regulation applies where, in relation to a transfer under regulation 28—

- (a) the old course is a full-time course and the new course is a part-time course, or
- (b) the old course is a part-time course and the new course is a full-time course.

(2) Where this regulation applies, the total amount of any grants and maintenance loan payable to the eligible student for the academic year is to be reassessed by the Welsh Ministers as follows—

Step 1

Calculate, in accordance with Parts 7 to 11, the amounts of any grants and maintenance loan that would have been payable in respect of—

- (a) the old course, and
- (b) the new course,

for the whole academic year.

Step 2

Reduce those amounts by multiplying them by the appropriate fraction.

The total of the two amounts arrived at under Step 2 is the total amount of grants and maintenance loan payable to the student for the academic year during which the transfer occurs.

(3) In Step 2 of paragraph (2), the appropriate fraction in relation to the old course is the fraction where—

(a) the numerator is the number of days in the academic year up to and including the day on which the transfer occurs, and

(b) the denominator is the total number of days in the academic year.

(4) In Step 2 of paragraph (2), the appropriate fraction in relation to the new course is the fraction where—

(a) the numerator is the number of days remaining in the academic year after the day on which the transfer occurs, and

(b) the denominator is the total number of days in the academic year.

(5) For the avoidance of doubt, where the start date of the academic year of the new course is later than the start date of the academic year of the old course, references in paragraph (4) to the academic year are to the academic year of the new course.
