EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations amend the National Health Service (Charges to Overseas Visitors) Regulations 1989 (“the Principal Regulations”), which provide for the making and recovery of charges for relevant services provided under the National Health Service (Wales) Act 2006 (c. 42) to certain persons not ordinarily resident in the United Kingdom.

Regulation 1 contains commencement, application and interpretation provisions. The Regulations come into force on exit day, as defined in Schedule 1 to the Interpretation Act 1978 (c. 30).

Regulation 2 amends regulation 1 of the Principal Regulations to insert definitions of “Regulation (EC) No 883/2004”, “Regulation (EEC) No 1408/71” and “relevant services”. It also amends the existing definition of a “member of the family”.

Regulation 3 amends regulation 4 of the Principal Regulations to provide an exemption from charges for overseas visitors in circumstances where this is captured by a reciprocal agreement with an EEA state or Switzerland which comes into effect on or after exit day.

Regulation 4 amends regulation 4A of the Principal Regulations to reflect the fact that the term “Member state” will not capture the United Kingdom after exit day.

Regulation 5 inserts new regulations 4B and 4C into the Principal Regulations.

Regulation 4B exempts overseas visitors from charges if they are ordinarily resident in an EEA state or Switzerland, were ordinarily resident there before exit day and either held a UK-issued reciprocal healthcare document (an S1 or A1 healthcare certificate, European Health Insurance Card or equivalent document) or would have been eligible to do so if, when the treatment was provided, exit day had not occurred.

Regulation 4C provides an exemption from charges for frontier workers who work in the United Kingdom (and began doing so before exit day) but reside in an EEA state or Switzerland, to which they return at least once a week.

Regulation 6 amends regulation 5 of the Principal Regulations by adding “a British citizen” to the categories of persons who will be exempt from charges for needs arising treatment after exit day.

Regulation 7 inserts a new regulation 5A into the Principal Regulations. The new regulation provides an exemption from charges which will apply on a transitional basis to overseas visitors from an EEA state or Switzerland on or after exit day in circumstances where a course of treatment was authorised before exit day in accordance with Regulation (EC) No 883/2004 or Regulation (EEC) No 1408/71.

Regulation 8 adds the Faroe Islands, Liechtenstein, Norway and Switzerland to the list of countries in Schedule 2 to the Principal Regulations which concerns reciprocal agreements.

The Welsh Ministers’ Code of Practice on the carrying out of Regulatory Impact Assessments was considered in relation to these Regulations. As a result, a regulatory impact assessment has been prepared as to the likely costs and benefits of complying with these Regulations.
