EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations are made in exercise of the power conferred by paragraph 1(1) of Schedule 2 to the European Union (Withdrawal) Act 2018 (c. 16) in order to address failures of retained EU law to operate effectively and other deficiencies arising from the withdrawal of the United Kingdom from the European Union.

These Regulations make amendments to the Equine Identification (Wales) Regulations 2019 which supplement and make provision for the enforcement of [Commission Implementing Regulation \(EU\) 2015/262](#) laying down rules pursuant to [Council Directives 90/427/EEC](#) and [2009/156/EC](#) as regards the methods for the identification of equidae in Wales.

The Welsh Ministers' Code of Practice on the carrying out of Regulatory Impact Assessments was considered in relation to these Regulations. As a result, it was not considered necessary to carry out a regulatory impact assessment as to the likely costs and benefits of complying with these Regulations.
