## EXPLANATORY NOTE

*(This note is not part of the Regulations)*

These Regulations specify limits (prescribed limits) for certain types of payments required in the event of a default by a contract-holder of a standard occupation contract.

Part 2 of the Renting Homes (Fees etc.) (Wales) Act 2019 (“the Act”) makes it an offence for a landlord or letting agent to require any payment of money in consideration of granting, renewing or continuing a standard occupation contract, or pursuant to a term of a standard occupation contract, unless it falls within one of two categories. Any such payment which does not fall within those two categories is a ‘prohibited payment’. The first category covers payments by a landlord to a letting agent in respect of lettings work or property management work. The second category comprises ‘permitted payments’, which are those payments listed in Schedule 1 to the Act.

Default payments are included as permitted payments in Schedule 1 to the Act (paragraph 6). Default payments are payments required under a standard occupation contract, as a result of a contract-holder’s default. The Welsh Ministers may specify limits for those default payments. If those prescribed limits are exceeded, the excess is a prohibited payment.

Regulation 2 sets out the method of determining the prescribed limit which applies in the case of a failure by the contract-holder to make a payment of rent to the landlord by the due date.

Regulation 3 specifies two descriptions of default payment in respect of which a prescribed limit is specified. The first description comprises default payments in respect of the cost of changing, adding or removing a lock, where this has been necessary as a result of a breach by the contract-holder of a term of the contract. The second description comprises default payments in respect of the cost of replacing a key or other security device used to access the dwelling, where the replacement has been necessary as a result of a breach by the contract-holder of a term of the contract.

In respect of both those descriptions, the prescribed limit is specified in regulation 4 as being the actual cost of the replacement, change, addition or removal.

By virtue of regulation 3 of the Renting Homes (Fees etc.) (Wales) Act 2019 (Transitional Provision for Assured Shorthold Tenancies) Regulations 2019, the references in Parts 1 to 5 and 7 of the Act to a standard occupation contract are to be read as references to an assured shorthold tenancy under Part 1 of the Housing Act 1988 and the references in the Act to a contract-holder are to be read as references to a tenant under an assured shorthold tenancy. These Regulations therefore apply to assured shorthold tenancies until such time those tenancies convert to standard occupation contracts under section 240 of the Renting Homes (Wales) Act 2016 when they will apply to standard occupation contracts.

The Welsh Ministers’ Code of Practice on the carrying out of Regulatory Impact Assessments was considered in relation to these Regulations. As a result, a regulatory impact assessment has been prepared as to the likely costs and benefits of complying with these Regulations. A copy can be obtained from the Department of Housing, Welsh Government, Rhydycar Business Park, Merthyr Tydfil, CF48 1UZ.
