**The Maintained Schools (Amendment of
paragraph 7 of Schedule 17 to the Coronavirus
Act 2020) (Wales) Regulations 2020**

Transitional provision: Changing school session times

3.—(1) This regulation applies where a relevant notice has expired.

(2) Any change to the session times of a school implemented during the period when the relevant notice or a preceding notice has effect ceases to have effect.

(3) The governing body of the school must ensure that the session times of the school revert to the session times that were required to be implemented immediately before the notice was given or, where the notice is the last of a series of such notices that have effect consecutively without a break, the only or first preceding notice was given (as the case may be).

(4) Paragraph (3) does not affect the powers of the governing body of a school or a local authority to change school session times in accordance with the Changing of School Session Times (Wales) Regulations 2009⁽¹⁾ (“the 2009 Regulations”).

(5) In this regulation, “relevant notice” means a notice made under paragraph 7(5)(n) of Schedule 17 to the Coronavirus Act 2020 (disapplication of the 2009 Regulations) or, in the case of series of such notices that have effect consecutively without a break, the last notice in the series.

(6) In this regulation, “preceding notice” means a notice made under paragraph 7(5)(n) of Schedule 17 to the Coronavirus Act 2020 that forms part of a series of such notices including the relevant notice that have effect consecutively without a break.
