EXPLANATORY NOTE

(This note is not part of the Order)

This Order amends the Zoonoses Order 1989 (S.I. 1989/285) (“the Order”) for the following purposes—

- (a) to add severe acute respiratory syndrome coronavirus 2 (SARS-CoV-2) to the organisms designated for the purposes of section 29 of the Animal Health Act 1981 (c. 22) (organisms to which specified provisions of that Act apply). The designation of SARS-CoV-2 applies in relation to cases where that organism is carried in mammals (*article 3*);
- (b) to add the particulars of the reporting requirement in relation to SARS-CoV-2 (*article 5*);
- (c) to prescribe the particulars to be included in a signed report in relation to *Echinococcus multilocularis* under article 8A of the Order (*article 6*).

The Welsh Ministers’ Code of Practice on the carrying out of Regulatory Impact Assessments was considered in relation to this Order. As a result, a regulatory impact assessment was not carried out as to the likely costs and benefits of complying with this Order.
