2021 No. 351

**The Bee Diseases and Pests Control
(Wales) (Amendment) Order 2021**

Amendment of the Bee Diseases and Pests Control (Wales) Order 2006

2. After article 2 of the Bee Diseases and Pests Control (Wales) Order 2006⁽¹⁾ insert—

“Reporting of Varroa mite (Varroosis)

2A. Any owner or person in charge of a hive who know or suspects that any species of the Varroa mite is present in the hive must report, as soon as practicable, that fact to the Welsh Ministers.”
