2022 No. 213

The Menai Strait (East) Mussel and Oyster Fishery Order 2022

PART 3

The right of regulating a fishery

Matters the Grantee must have regard to when exercising their licensing functions

16. When exercising their licensing functions under this Order, the Grantee must have regard to the impact the licensed activities may have upon—

- (a) the European marine sites; and
- (b) the marine environment.
