2022 No. 213

The Menai Strait (East) Mussel and Oyster Fishery Order 2022

PART 4

Miscellaneous provisions

Duty to keep publicly available an illustrative map of the Order area

22. Within 7 days of making a designation under article 4, or a cancellation of a designation under article 6, the Grantee must produce and make available for inspection on its website and at its registered office an illustrative map of the Order area which must include the boundary between the several fishery area and the regulated fishery area.
