2024 No. 753

The Bovine Viral Diarrhoea (Wales) Order 2024

PART 5

BVD Screening

Testing for exposure to BVDV

27. Upon receipt of a blood sample taken under article 25, the operator of the approved laboratory must—

- (a) test each of the samples for evidence of exposure to BVDV, and
- (b) determine whether or not any of the samples show evidence of exposure to BVDV.
