PART 5

BVD Screening

Notification of test results

31.—(1) Following completion of a test under article 30, the operator of the approved laboratory must by notice inform the keeper, the Welsh Ministers and the veterinary surgeon of each test result and—

- (a) where BVDV is not present in the sample,
 - (i) that the animal has an individual BVD status of negative, and
 - (ii) if each animal forming part of the herd returns an individual BVD status of negative, that the collective status of the herd will change to negative, or
 - (b) where BVDV is present in the sample—
 - (i) that the animal has an individual BVD status of positive, and
 - (ii) that the herd to which it belongs has a collective BVD status of not negative.
- (2) In all other cases, the bovine animal has no individual BVD status.
