The Bovine Viral Diarrhoea (Wales) Order 2024

PART 1

Preliminary

Compliance with this Order

5.—(1) Any sampling by a previous keeper for the purposes of compliance with the obligations of a keeper under this Order may, if the current keeper so elects, be relied upon by the current keeper for the purposes of determining compliance by the current keeper with the obligations in this Order.

(2) Any obligation under this Order on a keeper to take or submit a sample may, if the keeper so elects, be fulfilled by the keeper arranging for another person to take or submit the sample on the keeper's behalf.
